^{a/} Including non-eligible children attending UNRWA/UNESCO schools, who now number 35,312 of whom 10,066 are registered children in the Gaza Strip where all refugee children have always been regarded in practice as eligible for education services. Non-eligible may mean either non-eligible refugee children or non-refugee children. It is relevant that in Jordan non-refugee children in Agency schools are offset against refugee pupils attending government schools, free of charges including secondary schools; that in the Syrian Arab Republic some

refugee pupils attend government elementary and preparatory schools and those who proceed to secondary education attend government secondary schools, in both oases free of charge; that in Gaza some teachers are provided by the Gaza Education Department for UNRWA/UNESCO schools and refugee children who proceed to secondary education attend government schools, free of charge; and that in Lebanon it has not proved feasible to collect fees from the small number of non-eligible refugee children and no arrangements have been made with the Government for offsetting the small number of non-refugee children in UNWA/UNESCO schools.

b/ East Jordan only.

a/ The figures in this table reflect, for each period, the income and expenditure (including commitments) applicable to the budget for that period, regardless of when the income was received or the expenditure incurred.

b/ These adjustments represent principally the liquidation in subsequent years of liabilities, commitments and provisions at less than amounts originally charged to expenditure account. Full details are given in the Agency's audited accounts (see Official Records of the General Assembly, Thirty-second Session, Supplement No. 7C (A/32/7/Add.3)).

c/ Includes \$6 million pledged by a donor for 1976 not reflected in the Agency's audited accounts for that year due to its late notification.
