a/ Persons officially registered in these camps are refugees registered with UNRWA who are shown in UNRWA records as living in camps, irrespective of their category of registration (RSN), although some may have moved to villages, towns or cities in other parts of the country and their removal has yet to be reported to the Agency. The figures do not include refugees in camps who are not given shelter by UNRWA but benefit from sanitation services.

b/ Of the 509,406 persons actually living in these camps, 501,079 are UNRWA-registered refugees and their unregistered dependants. The balance of 8,327 are not UNRWA-registered refugees and are thus not eligible for UNRWA assistance.

c/ Persons actually living in these camps comprise 112,994 UNRWA-registered refugees and 37,479 other persons displaced as a result of the June 1967 hostilities or subsequent fighting in the Jordan valley in early 1968.
