UNITED NATIONS PALESTINE COMMISSION
Communication received from United Kingdom
Delegation Concerning Public Information
Services in Palestine.

The following communication, concerning public information services and facilities in Palestine, has been received from Mr. Fletcher-Cooke of the United Kingdom Delegation.

UNITED KINGDOM DELEGATION TO THE UNITED NATIONS
Empire State Building
New York 1, N.Y.

22nd March, '948

My Dear Bunche,

You will remember that in a letter dated 23rd February, Sir Alexander Cadogan forward a note to Monsieur Raul Diaz de Medina containing the answers to certain questions relating to public information services and facilities in Palestine. On 3rd March, I supplemented this information in a further letter which I sent to Monsieur Raul Diaz de Medina.

2. Question 6 of the questionnaire received from Monsieur de Medina asked for information relating to personnel of certain Departments of the Government of Palestine. I now enclosed four lists marked A to D, giving the information requested in respect of the Department of Broadcasting, the Public Information Office, the Department of Printing and Stationary and the Department of post and Telegraphs.

3. I also enclose for the information of the Commission, marked E and F, copies of the letters which have been sent to the Consul General of Czechoslovakia and Syria in Jerusalem relating to their applications for the installation of wireless transmitters and receivers in their Consulates General.

Yours sincerely,
(signed) J. FLETCHER-COOKE
(J. Fletcher-Cooke)

Dr. Ralph J. Bunche
Principal Secretary of the United Nations
Commission on Palestine
United Nations,
Lake Success.
