violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force and military operations causing death and injury to Palestinian civilians, including children, women and non-violent, peaceful demonstrators; the arbitrary imprisonment and detention of Palestinians, some of whom have been imprisoned for decades; the use of collective punishment; the closure of areas; the confiscation of land; the establishment and expansion of settlements; the construction of a wall in the Occupied Palestinian Territory in departure from the Armistice Line of 1949; the destruction of property and infrastructure; the forced displacement of civilians; and all other actions by it designed to

change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem, *Gravely concerned* in this regard by the ongoing demolition of Palestinian homes by Israel, the occupying Power, in particular in Occupied East Jerusalem, including if carried out as an act of collective punishment in violation of international humanitarian law, and by the revocation of residence permits and eviction of Palestinian residents of the City,

Deploring the conflict in and around the Gaza Strip in July and August 2014 and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and the elderly, the widespread destruction of thousands of homes and civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites, and United Nations schools and facilities, the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Gravely concerned about the disastrous humanitarian situation and the critical socioeconomic and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic and movement restrictions that in effect amount to a blockade and deepen poverty and despair among the Palestinian civilian population, and from the continuing and vastly negative repercussions of the military operations between December 2008 and January 2009, in November 2012 and in July and August 2014, as well as about the firing of rockets into Israel,

Recalling the statement by the President of the Security Council of 28 July 2014,¹¹

Stressing the need for the full implementation by all parties of Security Council resolution 1860 (2009) of 8 January 2009 and General Assembly resolution ES-10/18 of 16 January 2009,

Stressing also that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and ensure the safety and well-being of civilians on both sides, and regretting the lack of progress made in this regard,

Gravely concerned by reports regarding serious human rights violations and grave breaches of international humanitarian law committed during the military operations in the Gaza Strip between December 2008 and January 2009, including the findings in the summary by the Secretary-General of the report of the Board of Inquiry¹² and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,¹³ and the findings of the United Nations Headquarters Board of Inquiry into certain incidents that occurred in the Gaza Strip between 8 July and 26 August 2014¹⁴ and of the independent commission of inquiry established pursuant to Human Rights Council resolution S-21/1,¹⁵ and reiterating the necessity for serious follow-up by all parties of the recommendations addressed to them towards ensuring accountability and justice,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the continued impeding of the reconstruction process by Israel, the occupying Power, on the human rights situation and on the socioeconomic and humanitarian conditions of the Palestinian civilian population, *Expressing deep concern also* about the Israeli policy of closures and the imposition of severe restrictions, including through hundreds of obstacles to movement, checkpoints and a permit regime, all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, and the follow-up and access to donor-funded projects of development cooperation and humanitarian assistance, throughout the Occupied Palestinian Territory, including East Jerusalem, and impair the Territory's contiguity, consequently violating the human rights of the Palestinian people and negatively impacting their socioeconomic situation and the efforts aimed at rehabilitating and developing the Palestinian economy, which remains that of a critical humanitarian situation in the Gaza Strip, while taking note of developments with regard to the situation of access there and the resumption of some trade from Gaza to the West Bank for the first time since 2007, and calling for the full lifting of restrictions,

Expressing grave concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including, inter alia, unhygienic conditions, solitary confinement, the extensive use of administrative detention of excessive duration without charge and denial of due process, lack of proper medical care and widespread medical neglect, including for prisoners who are ill, with the risk of fatal consequences, and denial of family visits, that impair their well-being, and expressing grave concern also about the ill-treatment and harassment and all reports of torture of any Palestinian prisoners,

Expressing deep concern about the recent hunger strikes by numerous Palestinian prisoners in protest of the harsh conditions of their imprisonment and detention by the occupying Power, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Recalling the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules),¹⁶ and calling for respect for those Rules,

Recalling also the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Stressing the need for the prevention of all acts of violence, harassment, provocation and incitement by extremist Israeli settlers and groups of armed settlers, especially against Palestinian civilians, including children, and their properties, including homes, agricultural lands and historic and religious sites, including in Occupied East Jerusalem, and deploring the violation of the human rights of Palestinians in this regard, including acts of violence leading to death and injury among civilians,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties to implement the agreements reached, and in this regard recalling the positive contribution of the Temporary International Presence in Hebron,

Noting the continued efforts and tangible progress made in the Palestinian security sector, and noting also the continued cooperation that benefits both Palestinians and Israelis, in particular by promoting security and building confidence, and expressing the hope that such progress will be extended to all major population centres,

Urging the parties to observe calm and restraint and to refrain from provocative actions, incitement and inflammatory rhetoric, especially in areas of religious and cultural sensitivity, including in East Jerusalem, and to take every possible step to defuse tensions and promote conditions conducive to the credibility and success of the peace negotiations, *Emphasizing* the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

1. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁸ and contrary to the relevant resolutions of the Security Council, are illegal and have no validity;

6. *Demands* that Israel, the occupying Power, cease all of its settlement activities, the construction of the wall and any other measures aimed at altering the character, status and demographic composition of the Occupied Palestinian Territory, including in and around East Jerusalem, all of which, inter alia, gravely and detrimentally impact the human rights of the Palestinian people and the prospects for achieving without delay an end to the Israeli occupation that began in 1967 and a just, lasting and comprehensive peace settlement between the Palestinian and Israeli sides;

7. *Calls for* urgent attention to the plight and the rights, in accordance with international law, of Palestinian prisoners and detainees in Israeli jails, and calls for efforts between the two sides for the further release of prisoners and detainees, and also calls for respect for the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules);

8. *Condemns all* acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force
