Acknowledging the essential role that the United Nations Relief and Works Agency for Palestine Refugees in the Near East has played for sixty years since its establishment in ameliorating the plight of the Palestine refugees through the provision of education, health, relief and social services and ongoing work in the areas of camp infrastructure, microfinance, protection and emergency assistance,

Taking note of the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2008,¹

Expressing grave concern at the especially difficult situation of the Palestine refugees under occupation, including with regard to their safety, well-being and socio-economic living conditions,

Expressing grave concern in particular at the critical humanitarian situation and socio-economic conditions of the Palestine refugees in the Gaza Strip, and underlining the importance of emergency and humanitarian assistance and urgent reconstruction efforts,

Noting the signing of the Declaration of Principles on Interim Self-Government Arrangements² on 13 September 1993 by the Government of Israel and the Palestine Liberation Organization and the subsequent implementation agreements,

1. *Notes with regret* that repatriation or compensation of the refugees, as provided for in paragraph 11 of General Assembly resolution 194 (III), has not yet been effected, and that, therefore, the situation of the Palestine refugees continues to be a matter of grave concern and the Palestine refugees continue to require assistance to meet basic health, education and living needs;

Having considered the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2008,¹

Taking note of the letter dated 10 June 2009 from the Chairman of the Advisory Commission of the United Nations Relief and Works Agency for Palestine Refugees in the Near East addressed to the Commissioner-General,²

Deeply concerned about the critical financial situation of the Agency, as well as its rising expenditures resulting from the deterioration of the socio-economic and humanitarian conditions in the region and their significant negative impact on the provision of necessary Agency services to the Palestine refugees, including its emergency-related and development programmes,

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,³

Aware of the continuing needs of the Palestine refugees throughout the Occupied Palestinian Territory and in the other fields of operation, namely, Jordan, Lebanon and the Syrian Arab Republic,

Gravely concerned about the extremely difficult living conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the continuing prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade and the military operations in the Gaza Strip between December 2008 and January 2009, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women; widespread damage and destruction to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities; and internal displacement of civilians,

Commending the extraordinary efforts by the Agency to provide emergency relief, medical, food, shelter and other humanitarian assistance to needy and displaced families in the Gaza Strip,

Recalling, in this regard, its resolution ES-10/18 of 16 January 2009 and Security Council resolution 1860 (2009) of 8 January 2009,

Deploping the extensive damage and destruction of Agency facilities in the Gaza Strip caused during the military operations between December 2008 and January 2009, including to schools where civilians were sheltered and the Agency's main compound and warehouse, as reported in the summary by the Secretary-General of the report of the Board of Inquiry⁶ and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,⁷

Deploping also, in this regard, the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference and the failure to protect United Nations personnel, premises and property,

Deploping further the killing and injury of Agency staff members by the Israeli occupying forces in the Occupied Palestinian Territory since September 2000,

Deploping the killing and wounding of refugee children in the Agency schools by the Israeli occupying forces,

Expressing deep concern about the gravely negative impact of the continuing prolonged closures and severe restrictions on the movement of persons and goods, which in effect amount to a blockade in the Gaza Strip, and the construction of the wall, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem, on the socio-economic situation of the Palestine refugees,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,

Aware of the agreement between the Agency and the Government of Israel,
