

## General Assembly

A/RES/32/111  
15 December 1977

### 32/111. Health needs of Palestinian refugee children

*The General Assembly,*

*Recalling* its resolution 212 (III) of 19 November 1948 on assistance to Palestinian refugees,

*Deeply concerned* about the fact that almost half a million children in refugee camps are not receiving the basic nutritional requirements,

1. *Requests* the Secretary-General, in collaboration with Governments of host countries and with relevant United Nations bodies, to undertake a sample survey to ascertain the needs of Palestinian children in refugee camps with a view to averting adverse effects on their health;

2. *Requests* the Secretary-General to report to the General Assembly at its thirty-third session on the implementation of the present resolution.
