

Security Council

S/12233
11 November 1976

At the 1969th meeting, on 11 November 1976, the President made the following statement:

"As a result of consultations over which I presided with all members of the Council, I am authorized as President to make the following statement on behalf of the Council.

"Following the request submitted by Egypt on 20 October 1976,^{1/} the Security Council held four meetings between 1 and 11 November to consider the situation in the occupied Arab territories, with the participation of the representative of the Palestine Liberation Organization. After consulting all the members, the President of the Council has agreed:

"1. To express its grave anxiety and concern over the present situation in the occupied Arab territories as a result of continued Israeli occupation.

"2. To reaffirm its call upon the government of Israel to ensure the safety, welfare and security of the inhabitants of the territories and to facilitate the return of those inhabitants who have fled the areas since the outbreak of hostilities.

"3. To reaffirm that the Geneva Convention relative to the Protection of Civilian Persons in Time of War ^{2/} is applicable to the Arab territories occupied by Israel since 1967. Therefore, the occupying Power is called upon once again to comply strictly with the provisions of that Convention and to refrain from any measure that violates them. In this regard, the measures taken by Israel in the occupied Arab territories which alter the demographic composition or geographical character, and in particular the establishment of settlements, are strongly deplored. Such measures, which have no legal validity and cannot prejudice the outcome of the efforts to achieve peace, constitute an obstacle to peace.

"4. To consider once more that all legislative and administrative measures and actions taken by Israel, including expropriation of land and properties thereon and the transfer of populations, which tend to change the legal status of Jerusalem, are invalid and cannot change that status, and urgently to call upon Israel once more to rescind all such measures already taken and to desist forthwith from taking any further action which tends to change the status of Jerusalem. In this connexion, the Council deplores the failure of Israel to show any regard for Security Council resolutions 237 (1967) of 14 June 1967, 252 (1968) of 21 May 1968 and 298 (1971) of 25 September 1971 and General Assembly resolutions 2253 (ES-V) and 2254 (ES-V) of 4 and 14 July 1967.

"5. To recognize that any act of profanation of the Holy Places, religious buildings and sites or any encouragement of, or connivance at, any such act may seriously endanger international peace and security.

"The Council decides to keep the situation under constant attention with a view to meeting again should circumstances require."
