Israeli practices affecting the human rights of the Palestinian people in the Occupied Palestinian Territory, including East Jerusalem

The General Assembly,
Recalling its relevant resolutions, including those adopted at its tenth emergency special session, and the resolutions of the Commission on Human Rights,
Bearing in mind the relevant resolutions of the Security Council,

Having considered the reports of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories [14](#) and the reports of the Secretary-General, [15](#)

Concerned about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including the use of collective punishment, reoccupation and closure of areas, confiscation of land, establishment and expansion of settlements, destruction of property and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned by the tragic events that have occurred since 28 September 2000 and that have led to thousands of deaths and injuries, mostly among Palestinian civilians,

Expressing deep concern about the destruction caused by the Israeli occupying forces, including the destruction of homes and properties, of religious, cultural and historical sites, of vital infrastructure and institutions of the Palestinian Authority, and of agricultural land throughout Palestinian cities, towns, villages and refugee camps,

Also expressing deep concern about the Israeli policy of closure and the severe restrictions, including curfews, imposed on the movement of persons and goods, including medical and humanitarian personnel and goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent impact on the socio-economic situation of the Palestinian people, which has resulted in a dire humanitarian crisis,

Expressing concern that thousands of Palestinians continue to be held in Israeli prisons or detention centres, and also expressing concern about their ill-treatment and harassment and reports of torture,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting Palestinian civilians and to help the parties to implement agreements reached, and, in this regard, recalls the positive contribution of the Temporary International Presence in Hebron,

Stressing the necessity for the full implementation of all relevant Security Council resolutions,

1. *Determines* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, ¹⁸ and contrary to the relevant resolutions of the Security Council, are illegal and have no validity;

2. *Demands* that Israel, the occupying Power, comply fully with the provisions of the Fourth Geneva Convention of 1949¹⁸ and cease immediately all measures and actions taken in violation of the Convention, including extrajudiciary executions;

3. *Condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force by Israeli forces against Palestinian civilians, resulting in extensive loss of life, vast numbers of injuries and massive destruction;

4. *Condemns* the recent events that have occurred in the Jenin refugee camp, including the loss of life, injury, destruction and displacement inflicted on many of its civilian inhabitants;

5. *Demands* that Israel, the occupying Power, cease all practices and actions that violate the human rights of the Palestinian people;

6. *Stresses* the need to preserve the territorial integrity of all the Occupied Palestinian Territory and to guarantee the freedom of movement of persons and goods within the Palestinian territory, including the removal of restrictions on movement into and from East Jerusalem, and the freedom of movement to and from the outside world;

7. *Requests* the Secretary-General to report to the General Assembly at its fifty-eighth session on the implementation of the present resolution.

Draft resolution V

The occupied Syrian Golan

The General Assembly,

Having considered the reports of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories, [19](#)

Deeply concerned that the Syrian Golan, occupied since 1967, has been under continued Israeli military occupation,

Recalling Security Council resolution 497 (1981) of 17 December 1981,

Recalling also its previous relevant resolutions, the last of which was resolution 56/63 of 10 December 2001,

Having considered the report of the Secretary-General submitted in pursuance of resolution 56/63, [20](#)

Recalling its previous relevant resolutions in which, inter alia, it called upon Israel to put an end to its occupation of the Arab territories,

Reaffirming once more the illegality of the decision of 14 December 1981 taken by Israel to impose its laws, jurisdiction and administration on the

occupied Syrian Golan, which has resulted in the effective annexation of that territory,

Reaffirming that the acquisition of territory by force is inadmissible under international law, including the Charter of the United Nations,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,²¹ to the occupied Syrian Golan,

Bearing in mind Security Council resolution 237 (1967) of 14 June 1967,

Welcoming the convening in Madrid of the Peace Conference on the Middle East on the basis of Security Council resolutions 242 (1967) of 22 November 1967 and 338 (1973) of 22 October 1973 aimed at the realization of a just, comprehensive and lasting peace, and expressing grave concern about the stalling of the peace process on all tracks,

1. *Calls upon* Israel, the occupying Power, to comply with the relevant resolutions on the occupied Syrian Golan, in particular Security Council resolution 497 (1981), in which the Council, inter alia, decided that the Israeli decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan was null and void and without international legal effect, and demanded that Israel, the occupying Power, rescind forthwith its decision;

2. *Also calls upon* Israel to desist from changing the physical character, demographic composition, institutional structure and legal status of the occupied Syrian Golan and in particular to desist from the establishment of settlements;

3. *Determines* that all legislative and administrative measures and actions taken or to be taken by Israel, the occupying Power, that purport to alter the character and legal status of the occupied Syrian Golan are null and void, constitute a flagrant violation of international law and of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,²¹ and have no legal effect;

4. *Calls upon* Israel to desist from imposing Israeli citizenship and Israeli identity cards on the Syrian citizens in the occupied Syrian Golan and from taking repressive measures against the population of the occupied Syrian Golan;

5. *Deplores* the violations by Israel of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;

6. *Calls once again upon* Member States not to recognize any of the legislative or administrative measures and actions referred to above;

7. *Requests* the Secretary-General to report to the General Assembly at its fifty-eighth session on the implementation of the present resolution.
