25/... Human rights situation in Occupied Palestinian Territory, including East Jerusalem

The Human Rights Council,

Recalling the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, the International Covenant on Economic, Social and Cultural Rights, the Convention on the Rights of the Child and the International Convention on the Elimination of All Forms of Racial Discrimination, and affirming that these human rights instruments must be respected in the Occupied Palestinian Territory, including East Jerusalem,

Recalling also relevant resolutions of the Human Rights Council,

Taking note of the recent reports of the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967, as well as of other relevant recent reports of the Human Rights Council,

Aware of the responsibility of the international community to promote human rights and ensure respect for international law,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force, and deeply concerned at the fragmentation of the Occupied Palestinian Territory, including East Jerusalem, through the construction of settlements, settler roads, the wall and other measures that are tantamount to de facto annexation of Palestinian land,

Emphasizing the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and reaffirming the obligation of the States parties to the Fourth Geneva Convention under articles 146, 147 and 148 with regard to penal sanctions, grave breaches and responsibilities of the High Contracting Parties,

Mindful of the failure by Israel, the occupying Power, to live up to its obligations as set forth in international law and as reaffirmed in all relevant United Nations resolutions and the advisory opinion rendered on 9 July 2004 by the International Court of Justice,

Reaffirming that all States have the right and the duty to take actions in conformity with international human rights law and international humanitarian law to counter deadly acts of violence against their civilian population in order to protect the lives of their citizens,

Stressing the need for full compliance with the Israeli-Palestinian agreements reached within the context of the Middle East peace process, including the Sharm el-Sheikh understandings, and the implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,

Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force and military operations causing death and injury to Palestinian civilians, including children, women and non-violent, peaceful demonstrators; the use of collective punishment; the closure of areas; the confiscation of land; the establishment and expansion of settlements; the construction of a wall in the Occupied Palestinian Territory in departure from the Armistice Line of 1949; the policies and practices that discriminate against and disproportionately affect the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem; the discriminatory allocation of water resources between Israeli settlers, who reside illegally in the Occupied Palestinian Territory, and the Palestinian population of the said Territory; the violation of the basic right to adequate housing, which is a component of the right to an adequate standard of living; the destruction of property and infrastructure; and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned in particular about the critical humanitarian and security situation in the Gaza Strip, including that resulting from the prolonged continuous closures and severe economic and movement restrictions that in effect amount to a blockade, and the military operations between December 2008 and January 2009 and in November 2012, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women, widespread destruction and damage to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities and the internal displacement of civilians, as well as about the firing of rockets into Israel,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the continued impeding of the reconstruction process by Israel, the occupying Power, on the human rights situation and on the socioeconomic and humanitarian conditions of the Palestinian civilian population,

Stressing the need to end immediately the closure of the Gaza Strip and for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of

the Gaza Strip, taking into account Israeli concerns,

Expressing deep concern at the Israeli policy of closures and the imposition of severe restrictions and checkpoints, several of which have been transformed into structures akin to permanent border crossings, other physical obstacles and a permit regime, which are applied in a discriminatory manner affecting the Palestinian population only, and all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and impair the Territory's contiguity, and deeply concerned also at the consequent violation of the human rights of the Palestinian people and the negative impact on their socioeconomic situation and the efforts aimed at rehabilitating and developing the Palestinian economy,

Deploring all policies and practices whereby Israeli settlers, who reside illegally in the Occupied Palestinian Territory, including East Jerusalem, are accorded preferential treatment over the Palestinian population in terms of access to roads, infrastructure, land, property, housing, natural resources and judicial mechanisms, resulting in widespread human rights violations of Palestinians,

Emphasizing that the destruction of property and the permanent displacement of Palestinian communities in the Occupied Palestinian Territory, including East Jerusalem, from their initial locations constitute, in all but the most limited cases as specified under international law, violations of the prohibitions on destruction of property and forcible transfer, respectively, under articles 53 and 49 of the Fourth Geneva Convention,

Expressing deep concern that thousands of Palestinians, including many children and women and elected members of the Palestinian Legislative Council, continue to be detained and held in Israeli prisons or detention centres under harsh conditions, including, inter alia, unhygienic conditions, solitary confinement, lack of proper medical care, denial of family visits and denial of due process, that impair their well-being, and expressing deep concern also about the ill-treatment and harassment of any Palestinian prisoner and all reports of torture,

Expressing concern about the possible consequences of the enactment by Israel, the occupying Power, of military orders regarding the detention, imprisonment and deportation of Palestinian civilians from the Occupied Palestinian Territory, including East Jerusalem, and recalling in this regard the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties implement the agreements reached and, in this regard, recalling the positive contribution of the Temporary International Presence in Hebron,

Taking note of the continued efforts and tangible progress made in the security sector by the Palestinian Government, calling upon the parties to continue cooperation that benefits both Palestinians and Israelis, in particular by promoting security and building confidence, and expressing the hope that such progress will be extended to all major population centres,

Emphasizing the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

1. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and contrary to the relevant resolutions of the Security Council are illegal and have no validity;

2. *Demands* that Israel, the occupying Power, comply fully with the provisions of the Fourth Geneva Convention of 1949 and cease immediately all measures and actions taken in violation and in breach of the Convention;

3. *Stresses* the need for Israel, the occupying Power, to withdraw from the Palestinian Territory occupied since 1967, including East Jerusalem, so as to enable the Palestinian people to exercise its universally recognized right to self-determination;

4. *Demands* that Israel, the occupying Power, cease all practices and actions that violate the human rights of the Palestinian people, and that it fully respect human rights law and comply with its legal obligations in this regard, including in accordance with relevant United Nations resolutions;

5. *Also demands* that Israel, the occupying Power, cease its imposition of prolonged closures and economic and movement restrictions, including those amounting to a blockade on the Gaza Strip, which severely restricts the freedom of movement of Palestinians within, into and out of Gaza and their access to basic utilities, housing, education, work, health and an adequate standard of living via various measures, including import and export restrictions, that have a direct impact on livelihoods, economic sustainability and development throughout Gaza, and, in this regard, calls upon Israel to implement fully the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, in order to allow for the sustained and regular movement of persons and goods and for the acceleration of long overdue reconstruction in the Gaza Strip;

6. *Reiterates* the need for respect for the territorial unity, contiguity and integrity of all of the Occupied Palestinian Territory and for guarantees of the freedom of movement of persons and goods within the Palestinian territory, including movement into and from East Jerusalem, into and from the Gaza Strip, between the West Bank and the Gaza Strip, and to and from the outside world;

7. *Expresses grave concern* at the confiscation and damage by Israel of fishing nets in the Gaza Strip for which there is no discernible security justification;

8. *Condemns* the excessive use of force by the Israeli occupying forces against Palestinian civilians, particularly in the Gaza Strip, and in the context of peaceful protests in the West Bank, resulting in extensive loss of life and vast numbers of injuries;

9. *Also condemns* the firing of rockets against Israeli civilian areas resulting in loss of life and injury;

10. *Further condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, including the torching of places of worship and the destruction of olive trees and crops by Israeli settlers;

11. *Calls upon* Israel to cease all violations of the right to education of Palestinians, including those stemming from restrictions on movement and incidents of harassment and attacks on school children and educational facilities by Israeli settlers and as a result of Israeli military action;

12. *Calls upon* Israel to end any harassment, intimidation and reprisals against human rights defenders who peacefully advocate for the rights of Palestinians in the Occupied Palestinian Territory, including by cooperating with United Nations human rights bodies;

13. *Expresses deep concern* at the conditions of the Palestinian prisoners and detainees in Israeli jails and detention centres, demands that Israel, the occupying Power, fully respect and abide by its international law obligations towards all Palestinian prisoners and detainees in its custody, and also expresses its concern at the continued extensive use of administrative detention, calls for a full implementation of the agreement reached in May 2012 for a prompt and independent investigation into all cases of death custody, and also calls upon Israel to release any Palestinian prisoner whose detention is not in accordance with international law;

14. *Demands* that Israel cease its policy of transferring prisoners from the Occupied Palestinian Territory into the territory of Israel, and respect fully its obligations under article 76 of the Fourth Geneva Convention;

15. *Urges* Israel to ensure that any arrest, detention and/or trial of Palestinian children is in line with the Convention on the Rights of the Child, including by refraining from holding criminal proceedings against them in military courts that, by definition, fall short of providing the necessary guarantees to ensure respect for their rights and that infringe upon their right to non-discrimination;

16. *Demands* that Israel, the occupying Power, cease all of its settlement activities, the construction of the wall and any other measures aimed at altering the character, status and demographic composition of the Occupied Palestinian Territory, including in and around East Jerusalem, all of which have, inter alia, a grave and detrimental impact on the human rights of the Palestinian people and the prospects for a peaceful settlement;

17. *Also demands* that Israel, the occupying Power, comply with its legal obligations under international law, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice and as demanded in General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/13 of 21 October 2003, and that it immediately cease the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, dismantle forthwith the structure situated therein, repeal or render ineffective all legislative and regulatory acts relating thereto, and make reparation for all damage caused by the construction of the wall, which has had a grave impact on the human rights and the socioeconomic living conditions of the Palestinian people;

18. *Calls upon* Israel to immediately cease any demolitions or plans for demolitions that would result in the forcible transfer or forced eviction of Palestinians, particularly in the vulnerable areas of the Jordan Valley, the periphery of Jerusalem and the South Hebron Hills, to facilitate the return of those Palestinian communities already subjected to forcible transfer or eviction to their original dwellings and to ensure adequate housing and legal security of tenure;

19. *Urges* Israel to ensure that water resource allocation in the Occupied Palestinian Territory is not discriminatory and does not result in water shortages disproportionately affecting the Palestinian population of the West Bank, and to take urgent steps to facilitate the restoration of the water infrastructure of the West

Bank, including in the Jordan Valley, affected by the destruction of the wells of local civilians, roof water tanks and other water and irrigation facilities under military and settler operation since 1967;

20. *Deplores* the illegal Israeli actions in Occupied East Jerusalem, including home demolitions, evictions of Palestinian residents, excavations in and around religious and historic sites, and all other unilateral measures aimed at altering the character, status and demographic composition of the city and of the Territory as a whole;

21. *Expresses grave concern* at:

(a) The restrictions imposed by Israel that impede access of Christian and Muslim worshippers to holy sites in the Occupied Palestinian Territory, including East Jerusalem, and calls upon Israel to include guarantees for non-discrimination on grounds of religion or belief as well as for the preservation and peaceful access to all religious sites;

(b) The increasing tensions in Occupied East Jerusalem and the wider region, including those stemming from attempts aimed at illegally changing the status quo of holy sites;

22. *Expresses serious concern* at the Citizenship and Entry into Israel Law adopted by the Knesset, which suspends the possibility, with certain rare exceptions, of family reunification between an Israeli citizen and a person residing in the Occupied Palestinian Territory, including East Jerusalem, thus adversely affecting the lives of many families ;

23. *Urges* Member States to continue to provide emergency assistance to the Palestinian people to alleviate the financial crisis and the dire socioeconomic and humanitarian situation, particularly in the Gaza Strip;

24. *Emphasizes* the need to preserve and develop the Palestinian institutions and infrastructure for the provision of vital public services to the Palestinian civilian population and the promotion of human rights, including civil, political, economic, social and cultural rights;

25. *Stresses* the need for Israel to abide by all relevant United Nations resolutions and to cooperate with the Human Rights Council, all special procedures and the Office of the United Nations High Commissioner for Human Rights;

26. *Requests* the Secretary-General to report on the implementation of the present resolution to the Human Rights Council at its twenty-eighth session;

27. *Decides* to remain seized of the matter.

*Non-member State of the Human Rights Council.
