**II. JAPAN GRANTS THE UNITED NATIONS RELIEF AND WORKS AGENCY FOR
PALESTINE REFUGEES IN THE NEAR EAST (UNRWA) \$7.2 MILLION
FOR PURCHASE OF FLOUR FOR DISTRIBUTION BY UNRWA
TO PALESTINE REFUGEES**

The following press release was issued by UNRWA on
11 July 1991:

"The Government of Japan has donated 1,000 million yen (about \$7.2 million) to the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) for the purchase of flour for distribution by UNRWA to Palestine refugees.

"Tetsuya Endo, Permanent Representative of Japan to the United Nations in Vienna, and UNRWA Commissioner-General Ilter Turkmen exchanged letters outlining the agreement at UNRWA headquarters here today.

"The grant will cover the purchase of approximately 29,000 tons of flour and the cost of shipping it to UNRWA's area of operations. The flour will be distributed to some 36,400 Palestine refugee families (about 156,400 persons) registered with UNRWA as special hardship cases in Lebanon, Syria, Jordan and the Israeli-occupied territory of the West Bank and Gaza Strip.

"Japan is one of the biggest single donors to UNRWA's regular and emergency programmes. In 1990, the Japanese Government contributed \$15 million to the Agency's regular budget for education, health, relief and social programmes for Palestine refugees. In March, Japan contributed \$10 million to the Agency's emergency programme of assistance in the Israeli-occupied territory - the largest single donation to UNRWA's emergency programme in 1991."

**III. COUNCIL OF MINISTERS OF THE ORGANIZATION OF AFRICAN UNITY
ADOPTS TWO RESOLUTIONS ON THE MIDDLE EAST AND PALESTINE**

"Guided by the principles and objectives enshrined in the Charters of the Organization of African Unity and the United Nations and the common determination of the African and the Arab peoples to pull their resources in defence of their independence and restoration of their legitimate basic rights,

"Noting with grave concern that the connivance between the Zionist regime in Israel and the apartheid system in South Africa aims at spreading international terrorism against the Palestinians in occupied Arab lands and the majority of the population in South Africa and their suppression,

"Recalling that the Palestinian question is the main cause of the conflict in the Middle East,

"Reaffirming that the violation by Israel of the sanctity of the Arab lands, air space and territorial waters, constitutes a threat to international peace and security,

"Considering the efforts made to establish peace in Lebanon within the context of the Taif Agreement:

"6. Demands the early convening of an International Peace Conference on the Middle East in accordance with the relevant resolutions of the United Nations General Assembly with the participation of the permanent members of the Security Council and the parties concerned, including the Palestine Liberation Organization (PLO), the sole legitimate representative of the Palestinian people on an equal footing, and supports efforts deployed in this regard;

"10. Requests the Secretary-General of the Organization of African Unity to follow the development of the situation in the Middle East and report to the next ordinary session of the OAU Council of Ministers." (See A/46/390)

"Recalling the resolutions adopted by the Assembly of Heads of State and Government and the previous sessions of the Council of Ministers on the question of Palestine,

"Further recalling all resolutions of the United Nations and the Non-aligned Movement on the question of Palestine,

"Reaffirming the legitimacy of the struggle of the Palestinian people under the leadership of the Palestine Liberation Organization (PLO), their sole and legitimate representative, so that they may recover their territories and exercise their full national rights,

"Following with attention the Palestinian popular uprising "Intifada" in the occupied territories in order to put an end to the Israeli occupation and attain the inalienable national rights for the Palestinian people, including their right to return to their homeland, self-determination and the establishment of their independent State with Jerusalem as its Capital,

"2. Strongly condemns the continued inhuman acts perpetrated by Israel against the citizens of the occupied Palestinian and Arab territories such as mass deportation and detention, slaughter of women and

children, destruction of homes, confiscation of lands and property and the desecration of holy places, and exhorts the international community to intervene in order to put an end to these inhuman acts which constitute a flagrant violation of human rights in Palestine;

"3. Strongly condemns the expansionist settlement policies pursued by Israel in occupied Palestine, including Jerusalem, and settlement of immigrant Jews in the occupied Arab territories, and calls upon the Soviet Union and the United States of America, in accordance with their declared position, to take the necessary actions to stop the settlement of migrant Jews in the Palestinian and Arab occupied territories;

"4. Hails the resistance of the Palestinian people to Israeli occupation, the intensification of the Palestinian people's uprising in the face of the brutal repression perpetrated by the Israeli authorities as well as the sacrifices made by the Palestinian people under the leadership of their sole legitimate representative, the PLO, in order to recover their inalienable rights to return to their homeland, to recover their property in Palestine, to self-determination without outside interference, and the establishment of their independent and sovereign State with Jerusalem as capital;

"9. Calls on the Secretary-General of the Organization of African Unity to follow up the developments of the Palestinian question and submit a report thereon to the forthcoming session of the OAU Council of Ministers." (See A/46/390)

IV. EXCERPT FROM JOINT COMMUNIQUE OF THE TWENTY-FOURTH MINISTERIAL MEETING OF THE ASSOCIATION OF SOUTH-EAST ASIAN NATIONS (ASEAN), HELD AT KUALA LUMPUR ON 20 JULY 1991

"The Foreign Ministers reviewed the situation in the Middle East in the post-Gulf War period. They welcomed the restoration of the legitimate Government of Kuwait and reaffirmed their commitment to the sovereignty, unity and independence and territorial integrity of all countries in the region.

"The Foreign Ministers emphasized that the immediate post-war period was an opportune moment to address the fundamental causes of instability within the region, in particular the Arab-Israeli conflict and the Palestinian question. They took note of the efforts of the United States in promoting peaceful settlement of the Arab-Israeli conflict and the Palestinian question. They reaffirmed their support for the convening of an international conference under the auspices of the United Nations to work out a peace settlement. In this connection, they stressed the need to adhere to Security Council resolutions 242 (1967) and 338 (1973), which would uphold the right to security of all States in the region, including that of Israel, and recognition of the legitimate rights of the Palestinian people, including their right to self-determination with all that this implied, in particular, their right to a homeland.

"The Foreign Ministers deplored the continuing establishment of illegal Israeli settlements in the occupied territories in defiance of Security Council resolutions."
