Illegal Israeli actions in Occupied East Jerusalem
and the rest of the Occupied Palestinian TerritorySecurity Council
Fifty-seventh year**Identical letters dated 20 November 2002 from the Permanent Observer
of Palestine to the United Nations addressed to the Secretary-General
and the President of the Security Council**

The Israeli occupying forces continue to commit additional war crimes in the ongoing bloody military campaign being waged against the Palestinian people in the Occupied Palestinian Territory, including East Jerusalem. Yesterday, during the early evening hours (Palestine time), Israeli occupying forces, backed by helicopter gunships and tanks, stormed the city of Tulkarem, firing missiles and unleashing heavy gunfire on Palestinian homes and property. During the attack, Israeli occupying forces committed an extrajudiciary execution, killing Tarek Mohammed Al-Zaghal, as well as four innocent Palestinian bystanders, including a 13-year-old boy.

Moreover, on that same day, also in Tulkarem, the Israeli occupying forces shot and killed a 15-year-old boy. These brutal Israeli attacks against the Palestinian inhabitants in Tulkarem resulted not only in the cold-blooded murder of six Palestinian civilians, but also in the injury of at least a dozen more Palestinians. In addition, the occupying forces caused even more damage and destruction to homes and properties in the city.

At the same time, the Israeli occupying forces continue to commit such acts of destruction against Palestinian homes, properties and infrastructure throughout other areas of the Occupied Palestinian Territory. The city of Al-Khalil, which has been under round-the-clock curfew since 15 November 2002, has particularly been subject to destruction by the occupying forces in recent days. This has included the demolition of homes, leaving many Palestinian families homeless, and ongoing and escalating Israeli settler violence against and harassment of the Palestinian inhabitants of the city.

The international community cannot continue to stand idly by while the Israeli occupying forces continue to carry out this bloody and brutal military campaign against the Palestinian people under occupation. The international community cannot allow Israel, the occupying Power, to continue to carry out such war crimes, State terrorism and systematic human rights violations against the Palestinian people under its occupation with impunity. Accordingly, we call on the international community to bring an immediate end to all Israeli crimes against the Palestinian people and bring all the perpetrators of these crimes to justice.
