LETTER DATED 21 FEBRUARY 1985 FROM THE PERMANENT
REPRESENTATIVE OF LEBANON TO THE UNITED NATIONS
ADDRESSED TO THE SECRETARY-GENERAL

Further to my letters concerning Israel's acts of aggression and practices in Southern Lebanon, the western Bekaa and the Rashaya district, and on instructions from my Government, I have the honour to inform you of the following:

- 1 - The Israeli Forces and engaging for many days now in the areas under their occupation, more specifically Nabatieh, Tyre, Rashaya and western Bekaa, in a series of raids, arrests, killings and repression. These operations and consequent practices have resulted in a great number of casualties. Besides the wounded, some of them seriously, six people are known to be killed while many other corpses still lay in the streets as they could not be identified due to the siege laid by the forces of occupation in these areas.
- 2 - Israeli officials have repeatedly indicated the willingness of Israel to continue to mount repressive operations and to intensify them in compliance with their stated "iron fist" policy. Such policy is a prelude to an escalation of their acts of repression and abusive acts.
- 3 - In addition to the list of Israeli practices, in annex, the latest information coming from the area indicate that an Israeli force strong with a great number of soldiers in armored personnel carriers and other military vehicles and bulldozers, has made its way to the villages of Deir Kanoun and Tair Dibbah, the former situation at 8 kms. north-east of Tyre.

The Government of Lebanon, while strongly protesting against these Israeli acts of aggression and abusive practices, reserves its right to request a special meeting of the Security Council should it deem that necessary.

I should be grateful if you would have the text of this letter circulated as a document of the Security Council.

M. Rachid FAKHOURY
Ambassador
Permanent Representative
