70/15. Peaceful settlement of the question of Palestine

The General Assembly,

Recalling its relevant resolutions, including those adopted at its tenth emergency special session,

Recalling also its resolution 58/292 of 6 May 2004,

Recalling further relevant Security Council resolutions, including resolutions 242 (1967) of 22 November 1967, 338 (1973) of 22 October 1973, 1397 (2002) of 12 March 2002, 1515 (2003) of 19 November 2003, 1544 (2004) of 19 May 2004 and 1850 (2008) of 16 December 2008,

Recalling the affirmation by the Security Council of the vision of a region where two States, Israel and Palestine, live side by side within secure and recognized borders,

Noting with concern that it has been 68 years since the adoption of its resolution 181 (II) of 29 November 1947 and 48 years since the occupation of Palestinian territory, including East Jerusalem, in 1967,

Having considered the report of the Secretary-General submitted pursuant to the request made in its resolution 69/23 of 25 November 2014,¹

Reaffirming the permanent responsibility of the United Nations with regard to the question of Palestine until the question is resolved in all its aspects in accordance with international law and relevant resolutions,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,² and recalling also its resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Convinced that achieving a just, lasting and comprehensive settlement of the question of Palestine, the core of the Arab-Israeli conflict, is imperative for the attainment of comprehensive and lasting peace and stability in the Middle East,

Stressing that the principle of equal rights and self-determination of peoples is among the purposes and principles enshrined in the Charter of the United Nations,

Reaffirming the principle of the inadmissibility of the acquisition of territory by war,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,³ to the Occupied Palestinian Territory, including East Jerusalem,

¹ A/70/354-S/2015/677.

² See A/ES-10/273 and Corr.1.

³ United Nations, *Treaty Series*, vol. 75, No. 973.

Recalling its resolution 2625 (XXV) of 24 October 1970, and reiterating the importance of maintaining and strengthening international peace founded upon freedom, equality, justice and respect for fundamental human rights and of developing friendly relations among nations irrespective of their political, economic and social systems or the level of their development,

Reaffirming the illegality of the Israeli settlements in the Palestinian territory occupied since 1967, including East Jerusalem,

Expressing grave concern about the extremely detrimental impact of Israeli settlement policies, decisions and activities in the Occupied Palestinian Territory, including East Jerusalem, including on the contiguity, integrity and viability of the Territory, the viability of the two-State solution based on the pre-1967 borders and the efforts to advance a peaceful settlement in the Middle East,

Expressing grave concern also about all acts of violence, intimidation and provocation by Israeli settlers against Palestinian civilians, including children, and properties, including homes, mosques, churches and agricultural lands, condemning acts of terror by several extremist Israeli settlers, and calling for accountability for the illegal actions perpetrated in this regard,

Reaffirming the illegality of Israeli actions aimed at changing the status of Jerusalem, including settlement construction and expansion, home demolitions, evictions of Palestinian residents, excavations in and around religious and historic sites, and all other unilateral measures aimed at altering the character, status and demographic composition of the city and of the Territory as a whole, and demanding their immediate cessation,

Expressing its grave concern, in particular, about tensions, provocations and incitement regarding the holy places of Jerusalem, including the Haram al-Sharif, and urging restraint and respect for the sanctity of the holy sites by all sides,

Reaffirming that the construction by Israel, the occupying Power, of a wall in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Encouraging all States and international organizations to continue to actively pursue policies to ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements,

Expressing deep concern about the continuing Israeli policies of closures and severe restrictions on the movement of persons and goods, including medical and humanitarian, via the imposition of prolonged closures and severe economic and movement restrictions that in effect amount to a blockade, as well as of checkpoints and a permit regime throughout the Occupied Palestinian Territory, including East Jerusalem,

Expressing deep concern also about the consequent negative impact of such policies on the contiguity of the Territory and the serious socioeconomic and humanitarian situation of the Palestinian people, which is a disastrous humanitarian crisis in the Gaza Strip, and on the efforts aimed at rehabilitating and developing the damaged Palestinian economy, while taking note of developments regarding the situation of access there based on the trilateral agreement facilitated by the United Nations in this regard and on the resumption of some trade from Gaza to the West Bank for the first time since 2007, and calling for the full lifting of restrictions,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,⁴ and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, as well as other international treaties,

actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

Bearing in mind the extremely detrimental impact of Israeli settlement policies, decisions and activities on the ongoing regional and international efforts to resume and advance the peace process, on the prospects for the achievement of peace in the Middle East in accordance with the two-State solution of Israel and Palestine, living side by side in peace and security within recognized borders, on the basis of the pre-1967 borders, and on the viability and credibility of that solution,

Expressing grave concern about the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and condemning those activities as violations of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the Quartet road map and as actions in defiance of the calls by the international community to cease all settlement activities,

Deploring settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan and any activities involving the confiscation of land, the disruption of the livelihood of protected persons, the forced transfer of civilians and the de facto annexation of land,

Deploring in particular Israel's construction and expansion of settlements in and around occupied East Jerusalem, including its so-called E-1 plan that aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley,

Deploring the continuing unlawful construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular about the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline of socioeconomic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations and make the two-State solution physically impossible to implement,

Deeply concerned that the wall's route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Condemning acts of violence and terror against civilians on both sides, and recalling the need to end all acts of violence, including acts of terror, provocation, incitement and destruction,

Condemning also all acts of violence, destruction, harassment, provocation and incitement by Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including historic and religious sites, and agricultural lands, as well as acts of terror by several extremist Israeli settlers, and calling for accountability for the illegal actions perpetrated in this regard,

Taking note of the relevant reports of the Secretary-General,¹¹

Noting the special meeting of the Security Council convened on 26 September 2008, as well as the meeting of the Council of 18 February 2011,

1. *Reaffirms* that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

4. *Stresses* that a complete cessation of all Israeli settlement activities is essential for salvaging the two-State solution on the basis of the pre-1967 borders;

5. *Demands* that Israel, the occupying Power, comply with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice;⁴

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Taking note of its resolution 67/19 of 29 November 2012,

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, as well as other international treaties,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force,

implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,¹⁰

Stressing also the need for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of the Gaza Strip,

Gravely concerned by the tensions and violence in the recent period throughout the Occupied Palestinian Territory, including East Jerusalem and including with regard to the holy places of Jerusalem, including the Haram al-Sharif, and deploring the loss of innocent civilian life,

Recognizing that security measures alone cannot remedy the escalating tensions, instability and violence, and calling for full respect for international law, including humanitarian and human rights law, including for the protection of civilian life, as well as for the promotion of human security, the de-escalation of the situation, the exercise of restraint, including from provocative actions and rhetoric, and the establishment of a stable environment conducive to the pursuit of peace,

Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force and military operations causing death and injury to Palestinian civilians, including children, women and non-violent, peaceful demonstrators; the arbitrary imprisonment and detention of Palestinians, some of whom have been imprisoned for decades; the use of collective punishment; the closure of areas; the confiscation of land; the establishment and expansion of settlements; the construction of a wall in the Occupied Palestinian Territory in departure from the Armistice Line of 1949; the destruction of property and infrastructure; the forced displacement of civilians; and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned, in this regard, by the ongoing demolition of Palestinian homes by Israel, the occupying Power, in particular in Occupied East Jerusalem, including if carried out as an act of collective punishment in violation of international humanitarian law, and by the revocation of residence permits and eviction of Palestinian residents of the City,

Deploring the conflict in and around the Gaza Strip in July and August 2014 and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and the elderly, the widespread destruction of thousands of homes and civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites, and United Nations schools and facilities, the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Gravely concerned about the disastrous humanitarian situation and the critical socioeconomic and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic and movement restrictions that in effect amount to a blockade and deepen poverty and despair among the Palestinian civilian population, and from the continuing and vastly negative repercussions of the military operations between December 2008 and January 2009, in November 2012 and in July and August 2014, as well as about the firing of rockets into Israel,

Recalling the statement by the President of the Security Council of 28 July 2014,¹¹

¹⁰ S/2003/529, annex.

¹¹ S/PRST/2014/13; see *Resolutions and Decisions of the Security Council, 1 August 2013–31 July 2014* (S/INF/69).

Stressing the need for the full implementation by all parties of Security Council resolution 1860 (2009) of 8 January 2009 and General Assembly resolution ES-10/18 of 16 January 2009,

Stressing also that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and ensure the safety and well-being of civilians on both sides, and regretting the lack of progress made in this regard,

Gravely concerned by reports regarding serious human rights violations and grave breaches of international humanitarian law committed during the military operations in the Gaza Strip between December 2008 and January 2009, including the findings in the summary by the Secretary-General of the report of the Board of Inquiry¹² and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,¹³ and the findings of the United Nations Headquarters Board of Inquiry into certain incidents that occurred in the Gaza Strip between 8 July and 26 August 2014¹⁴ and of the independent commission of inquiry established pursuant to Human Rights Council resolution S-21/1,¹⁵ and reiterating the necessity for serious follow-up by all parties of the recommendations addressed to them towards ensuring accountability and justice,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the continued impeding of the reconstruction process by Israel, the occupying Power, on the human rights situation and on the socioeconomic and humanitarian conditions of the Palestinian civilian population,

Expressing deep concern also about the Israeli policy of closures and the imposition of severe restrictions, including through hundreds of obstacles to movement, checkpoints and a permit regime, all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, and the follow-up and access to donor-funded projects of development cooperation and humanitarian assistance, throughout the Occupied Palestinian Territory, including East Jerusalem, and impair the Territory's contiguity, consequently violating the human rights of the Palestinian people and negatively impacting their socioeconomic situation and the efforts aimed at rehabilitating and developing the Palestinian economy, which remains that of a critical humanitarian situation in the Gaza Strip, while taking note of developments with regard to the situation of access there and the resumption of some trade from Gaza to the West Bank for the first time since 2007, and calling for the full lifting of restrictions,

Expressing grave concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including, inter alia, unhygienic conditions, solitary confinement, the extensive use of administrative detention of excessive duration without charge and denial of due process, lack of proper medical care and widespread medical neglect, including for prisoners who are ill, with the risk of fatal consequences, and denial of family visits, that impair their well-being, and expressing grave concern also about the ill-treatment and harassment and all reports of torture of any Palestinian prisoners,

Expressing deep concern about the recent hunger strikes by numerous Palestinian prisoners in protest of the harsh conditions of their imprisonment and detention by the occupying Power, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Recalling the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules)¹⁶ and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules),¹⁷ and calling for respect for those Rules,

Recalling also the prohibition under international humanitarian law of the deportation of civilians from occupied territories,

Stressing the need for the prevention of all acts of violence, harassment, provocation and incitement by extremist Israeli settlers and groups of armed settlers, especially against Palestinian civilians, including children, and their properties, including homes, agricultural lands and historic and religious sites, including in Occupied East Jerusalem, and deploring the violation of the human rights of Palestinians in this regard, including acts of violence leading to death and injury among civilians,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties to implement the agreements reached, and in this regard recalling the positive contribution of the Temporary International Presence in Hebron,

Noting the continued efforts and tangible progress made in the Palestinian security sector, and noting also the continued cooperation that benefits both Palestinians and Israelis, in particular by promoting security and building confidence, and expressing the hope that such progress will be extended to all major population centres,

Urging the parties to observe calm and restraint and to refrain from provocative actions, incitement and inflammatory rhetoric, especially in areas of religious and cultural sensitivity, including in East Jerusalem, and to take every possible step to defuse tensions and promote conditions conducive to the credibility and success of the peace negotiations,

Emphasizing the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

1. *Reiterates* that all measures and actions taken by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁸ and contrary to the relevant resolutions of the Security Council, are illegal and have no validity;

6. *Demands* that Israel, the occupying Power, cease all of its settlement activities, the construction of the wall and any other measures aimed at altering the character, status and demographic composition of the Occupied Palestinian Territory, including in and around East Jerusalem, all of which, inter alia, gravely and detrimentally impact the human rights of the Palestinian people and the prospects for achieving without delay an end to the Israeli occupation that began in 1967 and a just, lasting and comprehensive peace settlement between the Palestinian and Israeli sides;

7. *Calls for* urgent attention to the plight and the rights, in accordance with international law, of Palestinian prisoners and detainees in Israeli jails, and calls for efforts between the two sides for the further release of prisoners and detainees, and also calls for respect for the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules)¹⁶ and the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules);¹⁷

8. *Condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force by the Israeli occupying forces against Palestinian civilians, particularly in the Gaza Strip, which have caused extensive loss of life and vast numbers of injuries, including among thousands of children and women, massive damage and destruction to homes, economic, industrial and agricultural properties, vital infrastructure, including water, sanitation and electricity networks, religious sites and public institutions, including hospitals and schools, and United Nations facilities, and agricultural lands, and large-scale internal displacement of civilians;

The General Assembly,

Aware that the development of friendly relations among nations, based on respect for the principle of equal rights and self-determination of peoples, is among the purposes and principles of the United Nations, as defined in the Charter,

Recalling, in this regard, its resolution 2625 (XXV) of 24 October 1970, entitled "Declaration on Principles of International Law concerning Friendly Relations and Cooperation among States in accordance with the Charter of the United Nations",

⁵ A/56/1026-S/2002/932, annex II, resolution 14/221.

⁶ S/2003/529, annex.

Encouraging all States and international organizations to continue to actively pursue policies to ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements,

Taking note of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,⁷

Expressing deep concern about the rising incidence of violence, harassment, provocation, vandalism and incitement in the Occupied Palestinian Territory, including East Jerusalem, in particular by illegal armed Israeli settlers against Palestinian civilians, including children, and their properties, including homes, historic and religious sites, and agricultural lands, and calling for accountability for the illegal actions perpetrated in this regard,

Gravely concerned by the serious repercussions on the economic and social conditions of the Palestinian people caused by Israel's construction of the wall and its associated regime inside the Occupied Palestinian Territory, including in and around East Jerusalem, and the resulting violation of their economic and social rights, including the rights to work, to health, to education, to property, to an adequate standard of living and to freedom of access and movement,

Recalling, in this regard, the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory⁸ and General Assembly resolution ES-10/15, and stressing the need to comply with the obligations mentioned therein,

Expressing grave concern at the extensive destruction by Israel, the occupying Power, of properties, including the increased demolition of homes, economic institutions, historical landmarks, agricultural lands and orchards, in the Occupied Palestinian Territory, including East Jerusalem, in particular in connection with its construction of settlements and the wall and confiscation of land, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem,

Expressing grave concern also over the continuing forced displacement and dispossession of Palestinian civilians, including the Bedouin community, due to the continuing and intensifying policy of home demolitions, evictions and revocation of residency rights in and around occupied East Jerusalem, as well as measures to further isolate the city from its natural Palestinian environs, which have seriously exacerbated the already critical socioeconomic situation being faced by the Palestinian population,

Expressing grave concern further about ongoing Israeli military operations and policies of closures and severe restrictions on the movement of persons and goods, the imposition of crossing closures, checkpoints and a permit regime throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socioeconomic situation of the Palestinian people, in particular the Palestine refugee population, which remains that of a humanitarian crisis,

Expressing grave concern, in particular, over the continuing crisis in the Gaza Strip as a result of the prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade, stressing that the situation is unsustainable, and calling in that regard for the full implementation of Security Council resolution 1860 (2009) of 8 January 2009 with a view to ensuring the full opening of the border crossings for the sustained and regular movement of persons and goods, including humanitarian aid, commercial flows and construction materials, and emphasizing the need for security for all civilian populations,

⁷ A/HRC/22/63.

⁸ See A/ES-10/273 and Corr.1.

Deploing the conflict in and around the Gaza Strip in July and August 2014 and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and the elderly, the widespread destruction of or damage to thousands of homes and vital civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites and United Nations schools and facilities, as well as the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Gravely concerned about the consequent prolonged and extensive negative impact of the military operations in July and August 2014, as well as between December 2008 and January 2009 and in November 2012, on economic conditions, the provision of social services and the social, humanitarian and physical living conditions of the Palestinian civilian population, including the Palestine refugee population,

Recalling, in this regard, the relevant United Nations reports, including those of the Economic and Social Council, the Economic and Social Commission for Western Asia and the Human Rights Council,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the hampering of the reconstruction process, by Israel, the occupying Power, on the socioeconomic and humanitarian conditions of the Palestinian civilian population in the Gaza Strip, where the humanitarian crisis continues to deepen, and calling in that regard for the immediate acceleration of the reconstruction process in the Gaza Strip with the assistance of the donor countries, including the disbursement of funds pledged at the Cairo International Conference on Palestine: Reconstructing Gaza, held on 12 October 2014,

Gravely concerned at various reports of the United Nations and specialized agencies regarding the substantial aid dependency caused by prolonged border closures, inordinate rates of unemployment, widespread poverty and severe humanitarian hardships, including food insecurity and rising health-related problems, including high levels of malnutrition, among the Palestinian people, especially children, in the Occupied Palestinian Territory, including East Jerusalem,

Expressing grave concern at the deaths and injuries caused to civilians, including children, women and peaceful demonstrators, and emphasizing that the Palestinian civilian population must be protected in accordance with international humanitarian law,

Emphasizing the importance of the safety and well-being of all civilians, and calling for the cessation of all acts of violence, including all acts of terror, provocation, incitement and destruction, and all firing of rockets,

Expressing deep concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres, subject to harsh conditions, including unhygienic conditions, solitary confinement, excessive use of administrative detention, lack of proper medical care and widespread medical neglect, including for prisoners who are ill, with the risk of fatal consequences, and the denial of family visits and of due process, that impair their well-being, and expressing deep concern also about any ill-treatment and harassment of Palestinian prisoners and detainees and all reports of torture, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Conscious of the urgent need for the reconstruction and development of the economic and social infrastructure of the Occupied Palestinian Territory, including East Jerusalem, as well as the urgent need to address the humanitarian crisis facing the Palestinian people, including by ensuring the unimpeded provision of humanitarian assistance and the sustained and regular flow of persons and goods into and out of the Gaza Strip,

Recognizing the efforts by the Palestinian Government, with international support, to rebuild, reform and strengthen its damaged institutions and promote good governance, emphasizing the need to preserve the Palestinian national institutions and infrastructure, and commending in this regard the ongoing efforts to develop the institutions of an independent Palestinian State, including through the implementation of the Palestinian National Development Plan 2011–2013 on governance, economy, social development and infrastructure, and the significant achievements made, as confirmed by the positive assessments made by international institutions regarding readiness for statehood, including by the World Bank, the International Monetary Fund and the United Nations and the Ad Hoc Liaison Committee for the Coordination of the International Assistance to Palestinians, while also expressing concern about the negative impact of the current financial crisis being faced by the Palestinian Government,

Commending, in this regard, the important work being done by the United Nations, the specialized agencies and the donor community in support of the economic and social development of the Palestinian people in line with their national development and State-building plan, as well as the vital assistance being provided in the humanitarian field,

Welcoming the formation of the new Palestinian Government of national consensus under the authority of President Mahmoud Abbas, in line with the Quartet principles, emphasizing the need for the respect and preservation of the territorial integrity and unity of the Occupied Palestinian Territory, including East Jerusalem, and affirming the need to support the Palestinian Government of national consensus in its assumption of full government responsibilities in all fields in both the West Bank and the Gaza Strip,

Calling upon both parties to fulfil their obligations under the road map in cooperation with the Quartet,

Aware that development and fostering healthy economic and social conditions are difficult under occupation and best promoted in circumstances of peace and stability,
