Taking note of the report of the Committee on Relations with the Host Country, 1/

42/229. Report of the Committee on Relations with the Host Country

A

The General Assembly,

Having considered the reports of the Secretary-General of 10 and 25 February 1988, 1/

Recalling its resolution 42/210 B of 17 December 1987,

Reaffirming the applicability to the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York of the provisions of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, dated 26 June 1947, 2/

Having been apprised of the provisions of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989, which was signed on 22 December 1987, Title X of which establishes certain prohibitions regarding the Palestine Liberation Organization, inter alia, a prohibition "to establish or maintain an office, headquarters, premises, or other facilities or establishments within the jurisdiction of the United States at the behest or direction of, or with funds provided by the Palestine Liberation Organization or any of its constituent groups, any successor to any of those, or any agents thereof",

Bearing in mind that that provision takes effect on 21 March 1988,

Taking note of the position of the Secretary-General in which he concluded that a dispute existed between the United Nations and the United States of America concerning the interpretation or application of the Headquarters Agreement,

Noting that the Secretary-General invoked the dispute settlement procedure set out in section 21 of the Agreement and proposed that the negotiations phase of the procedure commence on 20 January 1988,

Noting also from the report of the Secretary-General of 10 February 1988 3/ that the United States was not in a position and was not willing to enter formally into the dispute settlement procedure under section 21 of the Headquarters Agreement, that the United States was still evaluating the situation, and that the Secretary-General had sought assurances that the present arrangements for the Permanent Observer Mission of the Palestine Liberation Organization would not be curtailed or otherwise affected,

---

1/ A/42/915 and Add.1

2/ See resolution 169 (II).

3/ A/42/915.

Affirming that the United States of America, the host country, is under a legal obligation to enable the Permanent Observer Mission of the Palestine Liberation Organization to establish and maintain premises and adequate functional facilities and to enable the personnel of the Mission to enter and remain in the United States to carry out their official functions,

1. Supports the efforts of the Secretary-General and expresses its great appreciation for his reports;

2. Reaffirms that the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York is covered by the provisions of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations 2/ and that it should be enabled to establish and maintain premises and adequate functional facilities and that the personnel of the Mission should be enabled to enter and remain in the United States of America to carry out their official functions;

3. Considers that the application of Title X of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989, in a manner inconsistent with paragraph 2 above would be contrary to the international legal obligations of the host country under the Headquarters Agreement;

4. Considers that a dispute exists between the United Nations and the United States of America, the host country, concerning the interpretation or application of the Headquarters Agreement, and that the dispute settlement procedure set out in section 21 of the Agreement should be set in operation;

5. Calls upon the host country to abide by its treaty obligations under the Agreement and to provide assurance that no action will be taken that would infringe on the current arrangements for the official functions of the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York;

6. Requests the Secretary-General to continue in his efforts in pursuance of the provisions of the Agreement, in particular section 21 thereof, and to report without delay to the Assembly;

7. Decides to keep the matter under active review.

104th plenary meeting  
2 March 1988

B

The General Assembly,

Having considered the reports of the Secretary-General of 10 and 25 February 1988, 1/

Affirming the position of the Secretary-General that a dispute exists between the United Nations and the host country concerning the interpretation or application of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, dated 26 June 1947, 2/ and noting his conclusions that attempts at amicable settlement were deadlocked and that he had invoked the arbitration procedure provided for in section 21 of the Agreement by nominating an arbitrator and requesting the host country to nominate its own arbitrator,

Bearing in mind the constraints of time that require the immediate implementation of the dispute settlement procedure in accordance with section 21 of the Agreement,

Noting from the report of the Secretary-General of 10 February 1988 3/ that the United States of America was not in a position and was not willing to enter formally into the dispute settlement procedure under section 21 of the Headquarters Agreement and that the United States was still evaluating the situation,

Taking into account the provisions of the Statute of the International Court of Justice, in particular Articles 41 and 68 thereof,

Decides, in accordance with Article 96 of the Charter of the United Nations, to request the International Court of Justice, in pursuance of Article 65 of the Statute of the Court, for an advisory opinion on the following question, taking into account the time constraint:

In the light of facts reflected in the reports of the Secretary-General, 1/ is the United States of America, as a party to the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, 2/ under an obligation to enter into arbitration in accordance with section 21 of the Agreement?

42/230. Report of the Committee on Relations with the Host Country

The General Assembly,

Having considered the reports of the Secretary-General of 11 and 16 March 1988, 1/

Guided by the purposes and principles of the Charter of the United Nations and, in particular, the provisions of Chapter XVI,

Recalling its resolutions 42/210 B of 17 December 1987 and 42/229 A and B of 2 March 1988,

Recalling that the United Nations was created with the aim, inter alia, as defined in the Charter, "to establish conditions under which justice and respect for the obligations arising from treaties and other sources of international law can be maintained",

Recalling that the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, dated 26 June 1947, 2/ was drawn up in accordance with the Charter, in particular Articles 28 and 105 thereof,

Concerned that the application to and enforcement against the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York of Title X of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989, would impede the realization of the aims of the United Nations,

Expressing its appreciation to the International Court of Justice for having unanimously adopted an order on 9 March 1988 accelerating its procedure on the request submitted by the General Assembly for its advisory opinion on "the applicability of the obligation to arbitrate under section 21 of the United Nations Headquarters Agreement of 26 June 1947",

Expressing grave concern about the attitude of the Government of the host country as expressed in the letter dated 11 March 1988 from the Acting Permanent Representative of the United States of America to the Secretary-General, 3/ which states, inter alia, that "the Attorney General of the United States has determined that he is required by the Anti-Terrorism Act of 1987 to close the office of the Palestine Liberation Organization Observer Mission to the United Nations in New York, irrespective of any obligations the United States may have under the Agreement between the United Nations and the United States regarding the Headquarters of the United Nations",

Expressing serious alarm at the warning contained in that letter that "if the PLO does not comply with the Act, the Attorney General will initiate legal action to close the PLO Observer Mission on or about March 21 1988",

---

1/ A/42/915/Add.2 and 3.

2/ Resolution 169 (II).

3/ A/42/915/Add.2, annex I.

1. Strongly supports the position taken by the Secretary-General and expresses its great appreciation for his reports; 1/
2. Reaffirms that the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York is covered by the provisions of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations 2/ and that the Palestine Liberation Organization has the right to establish and maintain premises and adequate functional facilities and that the personnel of the Mission should be enabled to enter and remain in the United States to carry out their official functions;
3. Affirms the crucial importance of the Agreement and consequently the arrangements mentioned in paragraph 2 above concerning the functioning of the organs of the United Nations, including the General Assembly, at Headquarters in New York;
4. Determines that the application to and enforcement against the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York of Title X of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989, is inconsistent with paragraph 2 above and is contrary to the international legal obligations of the host country under the Headquarters Agreement;
5. Reaffirms that a dispute exists between the United Nations and the United States of America, the host country, concerning the interpretation or application of the Headquarters Agreement, and that the dispute settlement procedure provided for under section 21 of the Agreement, which constitutes the only legal remedy to solve the dispute, should be set in operation, and requests the host country to name its arbitrator to the arbitral tribunal;
6. Requests the Secretary-General to continue his efforts to ensure the proper constitution of the arbitral tribunal provided for under section 21 of the Headquarters Agreement;
7. Deplores the failure of the host country to comply with its obligations under the Headquarters Agreement;
8. Urges the host country to abide by its international legal obligations and to desist from taking any action inconsistent with paragraph 2 above;
9. Notes the fact that, within the text of its order, the International Court of Justice on 9 March 1988 took note of paragraph 5 of General Assembly resolution 42/229 A;
10. Requests the Secretary-General to take adequate measures on a preliminary basis, if necessary, in order to ensure the discharge of the official functions of the Permanent Observer Mission of the Palestine Liberation Organization to the United Nations in New York;
11. Further requests the Secretary-General to report to the General Assembly without delay on developments in this matter;
12. Decides to keep the matter under active review.

42/232. Report of the Committee on Relations with the Host Country

The General Assembly,

Having requested, in its resolution 42/229 B of 2 March 1988, an advisory opinion from the International Court of Justice regarding the applicability of the obligation to arbitrate under section 21 of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, dated 26 June 1947, 1/

Having noted that, in its advisory opinion of 26 April 1988, 2/ the Court was unanimously of the opinion that "the United States of America, as a party to the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations of 26 June 1947, is under an obligation, in accordance with section 21 of that Agreement, to enter into arbitration for the settlement of the dispute between itself and the United Nations", 3/

Having noted also that the Court pointed out that "the purpose of the arbitration procedure envisaged by that Agreement is precisely the settlement of such disputes as may arise between the Organization and the host country without any prior recourse to municipal courts, and it would be against both the letter and the spirit of the Agreement for the implementation of that procedure to be subjected to such prior recourse", 4/

Having noted also that the Court recalled "the fundamental principle of international law that international law prevails over domestic law", 5/

1. Expresses its appreciation to the International Court of Justice for having "found that an early answer to the request" submitted by the General Assembly on 2 March 1988 "for advisory opinion would be desirable" and for having accelerated its procedure on the said request;

2. Takes note of and endorses the advisory opinion of the International Court of Justice, of 26 April 1988, 2/ concerning the applicability of the obligation to arbitrate under section 21 of the Agreement between the United Nations and the United States of America regarding the Headquarters of the United Nations, dated 26 June 1947;

3. Urges the host country to abide by its international legal obligations and to act consistently with the advisory opinion of the International Court of Justice, of 26 April 1988, and accordingly to name its arbitrator to the arbitral tribunal provided for under section 21 of the Agreement;

3/ Ibid., para. 58.

4/ Ibid., para. 41.

5/ Ibid., para. 57.

4. Requests the Secretary-General to continue his efforts to ensure the constitution of the arbitral tribunal provided for under section 21 of the Agreement;
5. Further requests the Secretary-General to report to the General Assembly without delay on developments in this matter;
6. Decides to keep the matter under active review.

43/21. The uprising (intifadah) of the Palestinian people

The General Assembly,

Aware of the uprising (intifadah) of the Palestinian people since 9 December 1987 against Israeli occupation, which has received significant attention and sympathy from world public opinion,

Deeply concerned at the alarming situation in the Palestinian territories occupied since 1967, including Jerusalem, as well as in the other occupied Arab territories, as a result of the continued occupation by Israel, the occupying Power, and of its persistent policies and practices against the Palestinian people,

Reaffirming that the Fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, 1/ is applicable to all the Palestinian and other Arab territories occupied by Israel since 1967, including Jerusalem,

Recalling its relevant resolutions as well as Security Council resolutions 605 (1987) of 22 December 1987, 607 (1988) of 5 January 1988 and 608 (1988) of 14 January 1988,

Recognizing the need for increased support and aid for, and solidarity with the Palestinian people under Israeli occupation,

Conscious of the urgent need to resolve the underlying problem through a comprehensive, just and lasting settlement, including a solution to the Palestinian problem in all its aspects,

1. Condemns Israel's persistent policies and practices violating the human rights of the Palestinian people in the occupied Palestinian territories, including Jerusalem, and, in particular, such acts as the opening of fire by the Israeli army and settlers that result in the killing and wounding of defenceless Palestinian civilians, the beating and breaking of bones, the deportation of Palestinian civilians, the imposition of restrictive economic measures, the demolition of houses, collective punishment and detentions, as well as denial of access to the media;
2. Strongly deplores the continuing disregard by Israel, the occupying Power, of the relevant decisions of the Security Council;
3. Reaffirms that the occupation by Israel of the Palestinian territories since 1967, including Jerusalem, in no way changes the legal status of those territories;

---

1/ United Nations, Treaty Series, vol. 75, No. 973.

4. Demands that Israel, the occupying Power, abide immediately and scrupulously by the Fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and desist forthwith from its policies and practices that are in violation of the provisions of the Convention;

5. Calls upon all the High Contracting Parties to the Convention to take appropriate measures to ensure respect by Israel, the occupying Power, for the Convention in all circumstances in conformity with their obligation under article 1 thereof;

6/ A/43/407-S/19938, annex.

Welcoming the world-wide support extended to the just cause of the Palestinian people and the other Arab countries in their struggle against Israeli aggression and occupation in order to achieve a comprehensive, just and lasting peace in the Middle East and the full exercise by the Palestinian people of its inalienable national rights, as affirmed by previous resolutions of the General Assembly on the question of Palestine and on the situation in the Middle East,

Gravely concerned that the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories still remain under Israeli occupation, that the relevant resolutions of the United Nations have not been implemented and that the Palestinian people is still denied the restoration of its land and the exercise of its inalienable national rights in conformity with international law, as reaffirmed by resolutions of the United Nations,

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, 7/ to the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories,

Reaffirming also all relevant United Nations resolutions which stipulate that the acquisition of territory by force is inadmissible under the Charter of the United Nations and the principles of international law and that Israel must withdraw unconditionally from the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories,

Reaffirming further the imperative necessity of establishing a comprehensive, just and lasting peace in the region, based on full respect for the Charter and the principles of international law,

Gravely concerned also at the continuing Israeli policies involving the escalation and expansion of the conflict in the region, which further violate the principles of international law and endanger international peace and security,

Stressing once again the great importance of the time factor in the endeavours to achieve an early comprehensive, just and lasting peace in the Middle East,

1. Reaffirms its conviction that the question of Palestine is the core of the conflict in the Middle East and that no comprehensive, just and lasting peace in the region will be achieved without the full exercise by the Palestinian people of its inalienable national rights and the immediate, unconditional and total withdrawal of Israel from the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories;

2. Reaffirms further that a just and comprehensive settlement of the situation in the Middle East cannot be achieved without the participation on an equal footing of all the parties to the conflict, including the Palestine Liberation Organization, the representative of the Palestinian people;

3. Declares once more that peace in the Middle East is indivisible and must be based on a comprehensive, just and lasting solution of the Middle East problem, under the auspices of the United Nations and on the basis of its relevant resolutions, which ensures the complete and unconditional withdrawal of Israel from the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories, and which enables the Palestinian people, under the leadership of the Palestine Liberation Organization, to exercise its inalienable rights, including the right to return and the right to self-determination, national independence and the establishment of its independent sovereign State in Palestine, in accordance with the resolutions of the United Nations relating to the question of Palestine, in particular General Assembly resolutions ES-7/2 of 29 July 1980,

4. Considers the Arab Peace Plan adopted unanimously at the Twelfth Arab Summit Conference, held at Fez, Morocco, on 25 November 1981 and from 6 to 9 September 1982, 5/ and reiterated by the Extraordinary Summit Conference of the Arab States, held at Casablanca, Morocco, from 7 to 9 August 1985, 8/ as well as relevant efforts and action to implement the Fez plan, as an important contribution towards the realization of the inalienable rights of the Palestinian people through the achievement of a comprehensive, just and lasting peace in the Middle East;

5. Condemns Israel's continued occupation of the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories, in violation of the Charter of the United Nations, the principles of international law and the relevant resolutions of the United Nations, and demands the immediate, unconditional and total withdrawal of Israel from all the territories occupied since 1967;

6. Rejects all agreements and arrangements which violate the inalienable rights of the Palestinian people and contradict the principles of a just and comprehensive solution to the Middle East problem to ensure the establishment of a just peace in the area;

7. Deplores Israel's failure to comply with Security Council resolutions 476 (1980) of 30 June 1980 and 478 (1980) of 20 August 1980 and General Assembly resolutions 35/207 of 16 December 1980 and 36/226 A and B of 17 December 1981; determines that Israel's decision to annex Jerusalem and to declare it as its "capital" as well as the measures to alter its physical character, demographic composition, institutional structure and status are null and void and demands that they be rescinded immediately; and calls upon all Member States, the specialized agencies and all other international organizations to abide by the present resolution and all other relevant resolutions and decisions;

8. Condemns Israel's aggression, policies and practices against the Palestinian people in the occupied Palestinian territory and outside this territory including expropriation, establishment of settlements, annexation and other terrorist, aggressive and repressive measures, which are in violation of the Charter and the principles of international law and the relevant international conventions;

9. Strongly condemns the imposition by Israel of its laws, jurisdiction and administration on the occupied Syrian Arab Golan, its annexationist policies and practices, the establishment of settlements, the confiscation of lands, the

diversion of water resources and the imposition of Israeli citizenship on Syrian nationals, and declares that all these measures are null and void and constitute a violation of the rules and principles of international law relative to belligerent occupation, in particular the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;

10. Considers that the agreements on strategic co-operation between the United States of America and Israel, signed on 30 November 1981, and the continued supply of modern arms and matériel to Israel, augmented by substantial economic aid, including the Agreement on the Establishment of a Free Trade Area between the two Governments, have encouraged Israel to pursue its aggressive and expansionist policies and practices in the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories, and have had adverse effects on efforts for the establishment of a comprehensive, just and lasting peace in the Middle East and pose a threat to the security of the region;

11. Calls once more upon all States to put an end to the flow to Israel of any military, economic, financial and technological aid, as well as of human resources, aimed at encouraging it to pursue its aggressive policies against the Arab countries and the Palestinian people;

12. Strongly condemns the continuing and increasing collaboration between Israel and the racist régime of South Africa, especially in the economic, military and nuclear fields, which constitutes a hostile act against the African and Arab States and enables Israel to enhance its nuclear capabilities, thus subjecting the States of the region to nuclear blackmail;

13. Reaffirms its call for convening the International Peace Conference on the Middle East, under the auspices of the United Nations, with the participation of the five permanent members of the Security Council and all parties to the conflict, including the Palestine Liberation Organization, the sole legitimate representative of the Palestinian people, on an equal footing, and that the Conference should be effective with full authority, in order to achieve a comprehensive and just solution based on the withdrawal of Israel from the occupied Palestinian territory, including Jerusalem, and the other occupied Arab territories, and the attainment of the inalienable rights of the Palestinian people in accordance with United Nations resolutions relevant to the question of Palestine and the situation in the Middle East;

14. Endorses the call for setting up a preparatory committee, within the framework of the Security Council, with the participation of the permanent members of the Council, to take the necessary action to convene the Conference;

15. Requests the Secretary-General to report to the Security Council periodically on the development of the situation and to submit to the General Assembly at its forty-fourth session a comprehensive report covering the developments in the Middle East in all their aspects.

B

The General Assembly,

Having discussed the item entitled "The situation in the Middle East",

Taking note of the report of the Secretary-General of 28 November 1988, 4/

Recalling Security Council resolution 497 (1981) of 17 December 1981,

Reaffirming its resolutions 36/226 B of 17 December 1981, ES-9/1 of 5 February 1982, 37/123 A of 16 December 1982, 38/180 A of 19 December 1983, 39/146 B of 14 December 1984, 40/168 B of 16 December 1985, 41/162 B of 4 December 1986 and 42/209 C of 11 December 1987,

Recalling its resolution 3314 (XXIX) of 14 December 1974, in which it defined an act of aggression, inter alia, as "the invasion or attack by the armed forces of a State of the territory of another State, or any military occupation, however temporary, resulting from such invasion or attack, or any annexation by the use of force of the territory of another State or part thereof" and provided that "no consideration of whatever nature, whether political, economic, military or otherwise, may serve as a justification for aggression",

Reaffirming the fundamental principle of the inadmissibility of the acquisition of territory by force,

Reaffirming once more the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, 7/ to the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories,

Noting that Israel's record, policies and actions establish conclusively that it is not a peace-loving Member State and that it has not carried out its obligations under the Charter of the United Nations,

Noting further that Israel has refused, in violation of Article 25 of the Charter, to accept and carry out the numerous relevant decisions of the Security Council, in particular resolution 497 (1981), thus failing to carry out its obligations under the Charter,

1. Strongly condemns Israel for its failure to comply with Security Council resolution 497 (1981) and General Assembly resolutions 36/226 B, ES-9/1, 37/123 A, 38/180 A, 39/146 B, 40/168 B, 41/162 B and 42/209 C;

2. Declares once more that Israel's continued occupation of the Syrian Arab Golan and its decision of 14 December 1981 to impose its laws, jurisdiction and administration on the occupied Syrian Arab Golan constitute an act of aggression under the provisions of Article 39 of the Charter of the United Nations and General Assembly resolution 3314 (XXIX);

3. Declares once more that Israel's decision to impose its laws, jurisdiction and administration on the occupied Syrian Arab Golan is illegal and therefore null and void and has no validity whatsoever;
4. Declares all Israeli policies and practices of, or aimed at, annexation of the Palestinian territory occupied since 1967, including Jerusalem, and of the other occupied Arab territories, to be illegal and in violation of international law and of the relevant United Nations resolutions;
5. Determines once more that all actions taken by Israel to give effect to its decision relating to the occupied Syrian Arab Golan are illegal and invalid and shall not be recognized;
6. Reaffirms its determination that all relevant provisions of the Regulations annexed to the Hague Convention IV of 1907, 9/ and the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, continue to apply to the Syrian territory occupied by Israel since 1967, and calls upon the parties thereto to respect and ensure respect for their obligations under these instruments in all circumstances;
7. Determines once more that the continued occupation of the Syrian Arab Golan since 1967 and its annexation by Israel on 14 December 1981, following Israel's decision to impose its laws, jurisdiction and administration on that territory, constitute a continuing threat to international peace and security;
8. Strongly deplores the negative vote by a permanent member of the Security Council which prevented the Council from adopting against Israel, under Chapter VII of the Charter, the "appropriate measures" referred to in resolution 497 (1981) unanimously adopted by the Council;
9. Further deplores any political, economic, financial, military and technological support to Israel that encourages it to commit acts of aggression and to consolidate and perpetuate its occupation and annexation of the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories;
10. Firmly emphasizes once more its demand that Israel, the occupying Power, rescind forthwith its illegal decision of 14 December 1981 to impose its laws, jurisdiction and administration on the Syrian Arab Golan, which resulted in the effective annexation of that territory;
11. Reaffirms once more the overriding necessity of the total and unconditional withdrawal by Israel from the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories, which is an essential prerequisite for the establishment of a comprehensive and just peace in the Middle East;

---

9/ Carnegie Endowment for International Peace, The Hague Conventions and Declarations of 1899 and 1907 (New York, Oxford University Press, 1915), p. 100.

12. Determines once more that Israel's record, policies and actions confirm that it is not a peace-loving Member State, that it has persistently violated the principles contained in the Charter and that it has carried out neither its obligations under the Charter nor its commitment under General Assembly resolution 273 (III) of 11 May 1949;

13. Calls once more upon all Member States to apply the following measures:

(a) To refrain from supplying Israel with any weapons and related equipment and to suspend any military assistance that Israel receives from them;

(b) To refrain from acquiring any weapons or military equipment from Israel;

(c) To suspend economic, financial and technological assistance to and co-operation with Israel;

(d) To sever diplomatic, trade and cultural relations with Israel;

14. Reiterates its call to all Member States to cease forthwith, individually and collectively, all dealings with Israel in order totally to isolate it in all fields;

15. Urges non-member States to act in accordance with the provisions of the present resolution;

16. Calls upon the specialized agencies and other international organizations to conform their relations with Israel to the terms of the present resolution;

17. Requests the Secretary-General to report to the General Assembly at its forty-fourth session on the implementation of the present resolution.

71st plenary meeting  
6 December 1988

C

The General Assembly,

Recalling its resolutions 36/120 E of 10 December 1981, 37/123 C of 16 December 1982, 38/180 C of 19 December 1983, 39/146 C of 14 December 1984, 40/168 C of 16 December 1985, 41/162 C of 4 December 1986 and 42/209 D of 11 December 1987, in which it determined that all legislative and administrative measures and actions taken by Israel, the occupying Power, which had altered or purported to alter the character and status of the Holy City of Jerusalem, in particular the so-called "Basic Law" on Jerusalem and the proclamation of Jerusalem as the capital of Israel, were null and void and must be rescinded forthwith,

Recalling Security Council resolution 478 (1980) of 20 August 1980, in which the Council, inter alia, decided not to recognize the "Basic Law" and called upon those States that had established diplomatic missions at Jerusalem to withdraw such missions from the Holy City,

Having considered the report of the Secretary-General of 28 November 1988, 4/

1. Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever;
2. Deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980), and their refusal to comply with the provisions of that resolution;
3. Calls once more upon those States to abide by the provisions of the relevant United Nations resolutions, in conformity with the Charter of the United Nations;
4. Requests the Secretary-General to report to the General Assembly at its forty-fourth session on the implementation of the present resolution.

43/57. United Nations Relief and Works Agency for Palestine Refugees in the Near East

A

Assistance to Palestine refugees

The General Assembly,

Recalling its resolution 42/69 A of 2 December 1987 and all its previous resolutions on the question, including resolution 194 (III) of 11 December 1948,

Taking note of the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1987 to 30 June 1988, 1/

1. Notes with deep regret that repatriation or compensation of the refugees as provided for in paragraph 11 of General Assembly resolution 194 (III) has not been effected, that no substantial progress has been made in the programme endorsed by the Assembly in paragraph 2 of its resolution 513 (VI) of 26 January 1952 for the reintegration of refugees either by repatriation or resettlement and that, therefore, the situation of the refugees continues to be a matter of serious concern;

2. Expresses its thanks to the Commissioner-General and to all the staff of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, recognizing that the Agency is doing all it can within the limits of available resources, and also expresses its thanks to the specialized agencies and private organizations for their valuable work in assisting the refugees;

3. Reiterates its request that the headquarters of the Agency should be relocated to its former site within its area of operations as soon as practicable;

4. Notes with regret that the United Nations Conciliation Commission for Palestine has been unable to find a means of achieving progress in the implementation of paragraph 11 of General Assembly resolution 194 (III), 2/ and requests the Commission to exert continued efforts towards the implementation of that paragraph and to report to the Assembly as appropriate, but no later than 1 September 1989;

5. Directs attention to the continuing seriousness of the financial position of the Agency, as outlined in the report of the Commissioner-General;

6. Notes with profound concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, this increased level of income to the Agency is still insufficient to cover essential budget requirements in the present year and that, at currently foreseen levels of giving, deficits will recur each year;

7. Calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the anticipated needs of the Agency, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions.

Taking into account the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1987 to 30 June 1988, 1/

The General Assembly,

Recalling Security Council resolution 237 (1967) of 14 June 1967,

Recalling the provisions of paragraph 11 of its resolution 194 (III) of 11 December 1948, and considering that measures to resettle Palestine refugees in the Palestinian territory occupied by Israel since 1967 away from their homes and property from which they were displaced constitute a violation of their inalienable right of return,

Alarmed by the reports received from the Commissioner-General that the Israeli occupying authorities, in contravention of Israel's obligation under international law, persist in their policy of demolishing shelters occupied by refugee families,

1. Reiterates strongly its demand that Israel desist from the removal and resettlement of Palestine refugees in the Palestinian territory occupied by Israel since 1967 and from the destruction of their shelters;
2. Requests the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East to address the acute situation of the Palestine refugees in the Palestinian territory occupied by Israel since 1967 and accordingly to extend all the services of the Agency to those refugees;

43/60. Questions relating to information\*

A

The General Assembly,

Recalling its previous resolutions on questions relating to information,

Reaffirming the mandate given to the Committee on Information by the General Assembly in its resolution 34/182 of 18 December 1979,

Taking note of the report of the Secretary-General on questions relating to information, 1/

Encouraging the Secretary-General to continue necessary action in order to increase the efficiency and effectiveness of the Department of Public Information of the Secretariat, with particular emphasis on securing a co-ordinated approach to priority issues before the Organization,

Taking note of the comprehensive report of the Committee on Information, 2/ which served as an important basis and stimulated further deliberations,

1. Urges the full implementation of the following recommendations:

(1) All countries, the United Nations system as a whole and all others concerned should co-operate in the establishment of a new world information and communication order, seen as an evolving and continuous process, and based, inter alia, on the free circulation and wider and better balanced dissemination of information, guaranteeing diversity of sources of information and free access to information and, in particular, the urgent need to change the dependent status of the developing countries in the field of information and communication, as the principle of sovereign equality among nations extends also to this field, and intended also to strengthen peace and international understanding, enabling all persons to participate effectively in political, economic, social and cultural life and promoting human rights, understanding and friendship among all nations. The ongoing efforts of the United Nations Educational, Scientific and Cultural Organization, which retains the central role in this field, to eliminate gradually the existing imbalances in the field of information and communication and to encourage a free flow and a wider and better balanced dissemination of information in accordance with the relevant resolutions of that organization, adopted by consensus, should be reaffirmed;

---

\* Only resolution 43/60 A deals with matters related to the question of Palestine.

1/ A/43/639.

2/ Official Records of the General Assembly, Forty-third Session, Supplement No. 21 (A/43/21).

(2) Considering the important role that the media worldwide can freely play, particularly under the present situation, it is recommended that:

(a) The mass media should be encouraged to give wider coverage to the efforts of the international community towards global development and, in particular, the efforts of the developing countries to achieve economic, social and cultural progress;

(b) The United Nations system as a whole should co-operate in a concerted manner, through its information services, in promoting a more comprehensive and realistic image of the activities and potential of the United Nations system in all its endeavours, in accordance with the principles and purposes of the Charter of the United Nations and General Assembly resolutions, with particular emphasis on the right to self-determination and the elimination of all forms of racism, aggression, foreign domination and occupation, in order to create a climate of confidence, the strengthening of multilateralism and the promotion of the development activities in the United Nations system;

(c) All countries should be urged to extend assistance to journalists for the free and effective performance of their professional tasks and to ensure respect for their physical integrity;

(3) Considering the existing imbalances in the international distribution of news, particularly that affecting the developing countries, it is recommended that urgent attention should be given to the elimination of existing imbalances by, inter alia, diversifying the sources of information and respecting the interests, aspirations and socio-cultural values of all peoples;

(4) The United Nations system as a whole, particularly the United Nations Educational, Scientific and Cultural Organization, and the developed countries should be urged to co-operate in a concerted manner with the developing countries towards strengthening the information and communication infrastructures in the latter countries and promoting their access to advanced communications technology, in accordance with the priorities attached to such areas by the developing countries, with a view to enabling them to develop their own information and communications policies freely and independently and in the light of their social and cultural values, taking into account the principle of freedom of the press and information. In this regard, support should be provided for the continuation and strengthening of practical training programmes for broadcasters and journalists from developing countries;

(5) Note should be taken with appreciation of regional efforts, especially among the developing countries, as well as co-operation between developed and developing countries to develop further the media infrastructure in the developing countries, especially in the areas of training and dissemination of information, with a view to encouraging a free flow and a wider and better balanced dissemination of information;

(6) Article 19 of the Universal Declaration of Human Rights, <sup>3/</sup> which provides that everyone has the right to freedom of opinion and expression and that this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers, and article 29, which stipulates that these rights and freedoms may in no case be exercised contrary to the purposes and principles of the United Nations, should be recalled;

(7) The relevant paragraphs of General Assembly resolution 59 (I) of 14 December 1946, in which the Assembly stated, inter alia, that freedom of information is a fundamental human right, must be reiterated;

(8) The primary role that the General Assembly is to play in elaborating, co-ordinating and harmonizing United Nations policies and activities in the field of information having been reaffirmed, the Secretary-General is requested to ensure that the activities of the Department of Public Information, as the focal point of the public information tasks of the United Nations, are strengthened and improved, keeping in view the purposes and principles of the Charter of the United Nations and the priority areas such as those stated in section III, paragraph 1, of General Assembly resolution 35/201 of 16 December 1980 and other pertinent resolutions of the Assembly and the recommendations of the Committee on Information, so as to ensure an objective and more coherent coverage of, as well as better knowledge about, the United Nations and its work. The Secretary-General is further requested to ensure that the Department of Public Information:

(a) Co-operate more regularly with the United Nations Educational, Scientific and Cultural Organization, especially at the working level, with a view to maximizing the contributions of the Department to the efforts of that organization in further promoting the attainment of a free flow and a wider and better balanced dissemination of information;

(b) Strengthen its co-operation with the Movement of Non-Aligned Countries, with the News Agencies Pool of Non-Aligned Countries, with the Eco-Pool of the News Agencies of Non-Aligned Countries and with the Broadcasting Organization of Non-Aligned Countries, as well as with intergovernmental and regional organizations and with the news agencies of the developing countries. In this regard, the Department of Public Information should monitor, as appropriate, important meetings of the Movement, in particular its summit meetings, as well as those of intergovernmental and regional organizations, as this constitutes a concrete step towards the promotion of a wider and better balanced dissemination of information;

(c) Continue to disseminate information about the United Nations activities in the field of human rights, decolonization and the elimination of all forms of racial discrimination and foreign occupation;

In this connection, the Secretary-General is requested to ensure that the Department of Public Information:

(a) Continue to maintain consistent editorial independence and accuracy in reporting for all material it produces, taking necessary measures to ensure that its output contains objective and equitable information about issues before the Organization, reflecting divergent opinions where they occur;

(b) In the context of the review of its role, performance and method of work, continue to explore the feasibility of applying modern technologies for the collection, production, storage, dissemination and distribution of information materials, including the use of satellite facilities, and report to the Committee on Information at its substantive session in 1989 with regard to the effects of the application of such technologies on prevailing arrangements;

(c) Consider expanding the programme of telephone news bulletins that are paid for by its users;

(e) Take adequate measures to resume the taped radio programmes, which it temporarily curtailed, bearing in mind the objective of their effective utilization and maximum audience impact and report on this matter to the General Assembly at its forty-fourth session;

(f) Continue its annual training programme for broadcasters and journalists from developing countries;

(g) Extend all assistance to educational institutions of Member States and continue to organize seminars for educators and education policy makers;

(h) Guarantee daily coverage of all United Nations meetings through issuance of daily press releases in the working languages, reflecting the views of all delegations with accuracy and objectivity. It should also continue to co-operate closely with and provide assistance to members of the United Nations Correspondents Association, taking into account their needs and requirements, especially in the area of press releases, which provide them with the necessary raw material for adequate reporting, and through press conferences and briefings;

(i) Use the official languages of the United Nations adequately in its documents and audio-visual documentation and make balanced use of the two working languages of the Secretariat;

(j) Ensure timely distribution of its material to subscribers and to United Nations information centres;

(12) The unique function of the United Nations information centres, recognized as one of the most important means of disseminating information about the United Nations among the peoples of the world, should be enhanced. (14) It is recognized that the free distribution of materials is necessary in the public information activities of the United Nations. However, as demands increase and whenever it is desirable and possible, the Department of Public Information should actively encourage the sale of its materials;

(15) The Secretary-General is requested to ensure that the reorganization and restructuring of the Department of Public Information strengthen and improve the output of the mandated programmes and activities of the Department, taking into account the need for equitable geographical distribution of posts in the Department;

(16) The Secretary-General is requested to take effective steps to increase in the Department of Public Information the representation of underrepresented developing countries and of other underrepresented groups of countries, especially at the senior levels, in conformity with the relevant provisions of the Charter of the United Nations, and to submit a report to the Committee on Information at its substantive session in 1989;

(17) The Secretary-General is requested to ensure full programme delivery by the Caribbean Unit, including implementation of the provisions of General Assembly resolution 38/82 B of 15 December 1983, and to submit a report to the Committee on Information at its substantive session in 1989 on the measures taken in the implementation of the present recommendation;

(19) The United Nations system, particularly the United Nations Educational, Scientific and Cultural Organization, should aim at providing all possible support and assistance to the developing countries with due regard to their interests and needs in the field of information and to action already taken within the United Nations system, including, in particular:

(a) Development of human resources as indispensable for the improvement of information and communication systems in developing countries and support for the continuation and strengthening of practical training programmes, such as those already operating under both public and private auspices throughout the developing world;

on 5 January 1988

The Security Council,

Having been apprised of the decision of Israel, the occupying Power, to "continue the deportation" of Palestinian civilians in the occupied territories,

Recalling the Geneva Convention relative to the protection of civilian persons in time of war, of 12 August 1949, and in particular articles 47 and 49 of same,

1. Reaffirms once again that the Geneva Convention relative to the protection of civilian persons in time of war, of 12 August 1949, is applicable to Palestinian and other Arab territories, occupied by Israel since 1967, including Jerusalem;
