EXAMINATION OF THE DRAFT TENTH PROGRESS REPORT

The CHAIRMAN said that he had considered the draft tenth progress report prepared by the Secretariat. Subject to a few minor amendments which might be made by alternate members at a drafting meeting to be held with the Secretariat, he thought the draft was excellent.

Mr. ARAS (Turkey) and Mr. MARCHAL (France) shared the Chairman's point of view.

After a brief discussion during which the members of the Commission drew attention to the parts of the report which in their opinion should be amended, it was decided that the alternate members would complete a second draft of the report at a drafting meeting to be held with the Secretariat.

The meeting rose at 11.25 a.m.
