ES-10/17. Establishment of the United Nations Register of Damage caused by the Construction of the Wall in the Occupied Palestinian Territory

The General Assembly,

Guided by the principles enshrined in the Charter of the United Nations and the rules and principles of international law, including international humanitarian law and human rights law,

Reaffirming the permanent responsibility of the United Nations towards the question of Palestine until it is resolved in all its aspects in a satisfactory manner on the basis of international legitimacy,

Recalling the relevant resolutions of the Security Council,

Recalling also its relevant resolutions, including the resolutions of its tenth emergency special session on illegal Israeli actions in Occupied East Jerusalem and the rest of the Occupied Palestinian Territory,

*Recalling further the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*,¹ and recalling in particular the Court's reply to the question put forth by the General Assembly in resolution ES-10/14 of 8 December 2003, as set forth in the *dispositif* of the advisory opinion,²*

Recalling in this regard the Court's conclusion that, inter alia, "Israel is under an obligation to make reparation for all damage caused by the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem",

Reaffirming its resolution ES-10/15 of 20 July 2004 entitled "Advisory opinion of the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, including in and around East Jerusalem",

Recalling the request made in resolution ES-10/15 for the Secretary-General to establish a register of damage caused to all natural or legal persons concerned in connection with paragraphs 152 and 153 of the advisory opinion,

Noting in this connection the Court's conclusion whereby, inter alia:

Israel is accordingly under an obligation to return the land, orchards, olive groves and other immovable property seized from any natural or legal person for purposes of construction of the wall in the Occupied Palestinian Territory. In the event that such restitution should prove to be materially impossible, Israel has an obligation to compensate the persons in question for the damage suffered. The Court considers that Israel also has an obligation to compensate, in accordance with the applicable rules of international law, all natural or legal persons having suffered any form of material damage as a result of the wall's construction,³

Deploing the continuing construction, contrary to international law, by Israel, the occupying Power, of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, against the conclusions of the International Court of Justice in its advisory opinion of 9 July 2004 and resolution ES-10/15 and in breach of the applicable rules and principles of international law,

Recognizing the necessity of accurately documenting the damage caused by the construction of the wall for the purpose of fulfilling the obligation to make the above-mentioned reparations, including restitution and compensation, in accordance with the rules and principles of international law, and noting that the act of registration of damage, as such, does not entail, at this stage, an evaluation or assessment of the loss or damage caused by the construction of the wall,

Taking note with appreciation of the report of the Secretary-General of 17 October 2006 pursuant to resolution ES-10/15,⁴

1. *Reaffirms* its resolution ES-10/15 entitled "Advisory opinion of the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, including in and around East Jerusalem", and reiterates the demands made therein, inter alia, the demand that Israel, the occupying Power, comply with its legal obligations as mentioned in the advisory opinion;

3. *Establishes* the United Nations Register of Damage Caused by the Construction of the Wall in the Occupied Palestinian Territory:

(a) Designing the format of the damage claims;

(f) Providing legal advice regarding the operations of the Office of the Register of Damage and the submitted claims;

9. *Resolves* that the Register of Damage shall remain open for registration for the duration of existence of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem;

10. *Resolves also* that the Office of the Register of Damage shall remain active for the duration of the process of registration and shall carry out the specific functions and directives ascribed to it by the Secretary-General in his report, as set out in the present resolution, and such additional functions as requested by the General Assembly upon recommendation by the Secretary-General;

11. *Calls for* the establishment and operation of the Office of the Register of Damage and the establishment of the Register of Damage itself within six months of the adoption of the present resolution and the immediate undertaking thereafter of the process of registration of damage claims;

12. *Instructs* the Office of the Register of Damage, immediately upon its establishment, to seek the cooperation of the concerned Governments and authorities so as to facilitate its work in connection with the collection, submission and processing of damage claims in the Occupied Palestinian Territory, including East Jerusalem;

The General Assembly,

Recalling its relevant resolutions, including those adopted by its tenth emergency special session,

Recalling also its resolution 58/292 of 6 May 2004,

Recalling further relevant Security Council resolutions, including resolutions 242 (1967) of 22 November 1967, 338 (1973) of 22 October 1973, 1397 (2002) of 12 March 2002, 1515 (2003) of 19 November 2003 and 1544 (2004) of 19 May 2004,

Welcoming the affirmation by the Security Council of the vision of a region where two States, Israel and Palestine, live side by side within secure and recognized borders,

Noting with concern that it has been fifty-nine years since the adoption of resolution 181 (II) of 29 November 1947 and thirty-nine years since the occupation of Palestinian territory, including East Jerusalem, in 1967,

Having considered the report of the Secretary-General submitted pursuant to the request made in its resolution 60/39 of 1 December 2005,¹

Reaffirming further that the construction by Israel, the occupying Power, of a wall in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime, are contrary to international law,

Expressing deep concern about the Israeli policy of closure and the severe restrictions, including curfews and the permit regime, that continue to be imposed on the movement of persons and goods, including medical and humanitarian personnel and goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socio-economic situation of the Palestinian people, which remains that of a dire humanitarian crisis,

Concerned about the continued establishment of Israeli checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory, which are severely impairing the territorial contiguity of the Territory and severely undermining efforts to rehabilitate and develop the Palestinian economy,

Affirming once again the right of all States in the region to live in peace within secure and internationally recognized borders,

Welcoming the Palestinian truce initiative and its acceptance by Israel that came into effect on 26 November 2006, and urging both sides to maintain this truce, which could pave the way for genuine negotiations towards a just resolution to the conflict, and extend it to the West Bank,

Emphasizing the importance of the safety and well-being of all civilians in the whole Middle East region, and condemning all acts of violence and terror against civilians on both sides, including the suicide bombings, the extrajudicial executions and the excessive use of force,

Welcoming the initiatives and efforts undertaken by civil society in pursuit of a peaceful settlement of the question of Palestine,

Taking note of the findings by the International Court of Justice, in its advisory opinion, including on the urgent necessity for the United Nations as a whole to redouble its efforts to bring the Israeli-Palestinian conflict, which continues to pose a threat to international peace and security, to a speedy conclusion, thereby establishing a just and lasting peace in the region,⁵

61/26. Jerusalem

The General Assembly,

Recalling its resolution 181 (II) of 29 November 1947, in particular its provisions regarding the City of Jerusalem,

Recalling also its resolution 36/120 E of 10 December 1981 and all subsequent resolutions, including resolution 56/31 of 3 December 2001, in which it, inter alia, determined that all legislative and administrative measures and actions taken by Israel, the occupying Power, which have altered or purported to alter the character and status of the Holy City of Jerusalem, in particular the so-called "Basic Law" on Jerusalem and the proclamation of Jerusalem as the capital of Israel, were null and void and must be rescinded forthwith,

Recalling further the Security Council resolutions relevant to Jerusalem, including resolution 478 (1980) of 20 August 1980, in which the Council, inter alia, decided not to recognize the "Basic Law" on Jerusalem,

Expressing its grave concern in particular about the continuation by Israel, the occupying Power, of illegal settlement activities, including the so-called E-1 plan, and its construction of the wall in and around East Jerusalem, and the further isolation of the city from the rest of the Occupied Palestinian Territory, which is having a detrimental effect on the lives of Palestinians and could prejudice a final status agreement on Jerusalem,

Having considered the report of the Secretary-General,²

4. *Requests* the Secretary-General to report to the General Assembly at its sixty-second session on the implementation of the present resolution.

61/27. The Syrian Golan

The General Assembly,

Having considered the item entitled "The situation in the Middle East",

Taking note of the report of the Secretary-General,¹

61/118. Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and the occupied Syrian Golan

The General Assembly,

Guided by the principles of the Charter of the United Nations, and affirming the inadmissibility of the acquisition of territory by force,

Recalling its relevant resolutions, including resolution 60/106 of 8 December 2005, as well as those resolutions adopted at its tenth emergency special session,

Recalling also relevant Security Council resolutions, including resolutions 242 (1967) of 22 November 1967, 446 (1979) of 22 March 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 478 (1980) of 20 August 1980, 497 (1981) of 17 December 1981 and 904 (1994) of 18 March 1994,

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan,

Considering that the transfer by the occupying Power of parts of its own civilian population into the territory it occupies constitutes a breach of the Fourth Geneva Convention¹ and relevant provisions of customary law, including those codified in Additional Protocol I² to the Geneva Conventions,³

*Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*,⁴ and recalling also General Assembly resolution ES-10/15 of 20 July 2004,*

Noting that the International Court of Justice concluded that "the Israeli settlements in the Occupied Palestinian Territory (including East Jerusalem) have been established in breach of international law",⁵

Taking note of the recent report of the Special Rapporteur of the Human Rights Council on the situation of human rights in the Palestinian territories occupied by Israel since 1967,⁶

Recalling the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993⁷ and the subsequent implementation agreements between the Palestinian and Israeli sides,

Recalling also the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁸ and noting specifically its call for a freeze on all settlement activity,

Aware that Israeli settlement activities involve, inter alia, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, the exploitation of natural resources and other illegal actions against the Palestinian civilian population,

Bearing in mind the detrimental impact of Israeli settlement policies, decisions and activities on efforts to achieve peace in the Middle East,

Expressing grave concern about the continuation by Israel, the occupying Power, of settlement activities, including in and around East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions and the agreements reached between the parties, and concerned in particular about the construction and expansion of the settlements in Jabal Abu-Ghneim and Ras Al-Amud in and around Occupied East Jerusalem and Israel's intentions to proceed with the so-called E-1 plan, aimed at connecting its illegal settlements around and further isolating Occupied East Jerusalem,

Expressing grave concern also about the continuing unlawful construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular about the route of the wall in departure from the Armistice Line of 1949, which could prejudice future negotiations and make the two-State solution physically impossible to implement and which is causing serious humanitarian hardship and a serious decline of socio-economic conditions for the Palestinian people,

Deeply concerned that the wall's route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Reiterating its opposition to settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan and to any activities involving the confiscation of land, the disruption of the livelihood of protected persons and the de facto annexation of land,

Recalling the need to end all acts of violence, including acts of terror, provocation, incitement and destruction,

Gravely concerned about the dangerous situation resulting from actions taken by the illegal armed Israeli settlers in the occupied territory,

8. *Stresses* the need for full implementation of the relevant Security Council resolutions regarding the Israeli settlements, including Security Council resolution 904 (1994), in which, among other things, the Council called upon Israel, the occupying Power, to continue to take and implement measures, including confiscation of arms, with the aim of preventing illegal acts of violence by Israeli settlers, and called for measures to be taken to guarantee the safety and protection of the Palestinian civilians in the occupied territory;
9. *Reiterates its calls* for the prevention of all acts of violence by Israeli settlers, especially against Palestinian civilians and properties, particularly in the light of recent developments;

The General Assembly,

Recalling its relevant resolutions, including resolution 60/107 of 8 December 2005, as well as those adopted at its tenth emergency special session,

Recalling also the relevant resolutions of the Commission on Human Rights and the Human Rights Council,

Bearing in mind the relevant resolutions of the Security Council,

Having considered the report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories¹ and the report of the Secretary-General,²

Taking note of the recent reports of the Special Rapporteur of the Human Rights Council on the situation of human rights in the Palestinian territories occupied since 1967³

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice,⁴ and recalling also General Assembly resolution ES-10/15 of 20 July 2004,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Recalling the International Covenant on Civil and Political Rights,⁵ the International Covenant on Economic, Social and Cultural Rights⁵ and the Convention on the Rights of the Child,⁶ and affirming that these human rights instruments must be respected in the Occupied Palestinian Territory, including East Jerusalem,

Aware of the responsibility of the international community to promote human rights and ensure respect for international law, and recalling in this regard its resolution 2625 (XXV) of 24 October 1970,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁷ to the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967,

Reaffirming further the obligation of the States parties to the Fourth Geneva Convention⁷ under articles 146, 147 and 148 with regard to penal sanctions, grave breaches and responsibilities of the High Contracting Parties,

Reaffirming that all States have the right and the duty to take actions in conformity with international law and international humanitarian law to counter deadly acts of violence against their civilian population in order to protect the lives of their citizens,

Stressing the need for full compliance with the Israeli-Palestinian agreements reached within the context of the Middle East peace process, including the Sharm El-Sheikh understandings, and the implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁸

Stressing also the need for the full implementation of the Agreement on Movement and Access and the Agreed Principles for the Rafah Crossing, both of 15 November 2005, to allow for the freedom of movement of the Palestinian civilian population within and into and out of the Gaza Strip,

Noting the Israeli withdrawal from within the Gaza Strip and parts of the northern West Bank and the importance of the dismantlement of settlements therein as a step towards the implementation of the road map,

Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force, the use of collective punishment, the reoccupation and closure of areas, the confiscation of land, the establishment and expansion of settlements, the construction of the wall inside the Occupied Palestinian Territory in departure from the Armistice Line of 1949, the destruction of property and infrastructure, and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned about the military actions that have been carried out since 28 September 2000 and that have led to thousands of deaths among Palestinian civilians, including hundreds of children, and tens of thousands of injuries,

Expressing deep concern about the recent deterioration in the humanitarian and security situation in the Gaza Strip, including that resulting from the bombardment against civilian areas, air raids and sonic booms, and the firing of rockets into Israel, and in particular from the military actions carried out by Israel, the occupying Power, that endanger the Palestinian civilian population, and especially deploring the killing of Palestinian civilians, including women and children, that took place in Beit Hanoun on 8 November 2006,

Expressing deep concern further about the Israeli policy of closure and the severe restrictions, including curfews and the permit regime, that continue to be imposed on the movement of persons and goods, including medical and humanitarian personnel and goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socio-economic situation of the Palestinian people, which remains that of a dire humanitarian crisis,

Concerned about the continued establishment of Israeli checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory, which are severely impairing the territorial contiguity of the Territory and severely undermining efforts to rehabilitate and develop the Palestinian economy,

Expressing deep concern that thousands of Palestinians, including children and women, continue to be held in Israeli prisons or detention centres under harsh conditions that impair their well-being, and expressing concern about the ill treatment and harassment of any of the Palestinian prisoners and all reports of torture,

Welcoming the Palestinian truce initiative and its acceptance by Israel that came into effect on 26 November 2006, and urging both parties to maintain this truce, which could pave the way for genuine negotiations towards a just resolution of the conflict,
