Taking note of the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2010,²

Taking note of the letter dated 22 June 2011 from the Chair of the Advisory Commission of the United Nations Relief and Works Agency for Palestine Refugees in the Near East to the Commissioner-General, [8](#)

Deeply concerned about the critical financial situation of the Agency, caused in part by the structural underfunding of the Agency, as well as its rising expenditures

Aware of the continuing needs of the Palestine refugees in all fields of operation, namely, Jordan, Lebanon, the Syrian Arab Republic and the Occupied Palestinian Territory, *Gravely concerned* about the extremely difficult socio-economic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the continuing prolonged Israeli closures, the construction of settlements and the wall, and the severe economic and movement restrictions that in effect amount to a blockade, which have deepened unemployment and poverty rates among the refugees,

Gravely concerned also about the continuing negative repercussions of the military operations in the Gaza Strip between December 2008 and January 2009, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women; widespread destruction and damage to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities; and internal displacement of civilians, including refugees,

Commending the extraordinary efforts by the Agency to provide emergency relief, medical, food, shelter and other humanitarian assistance to needy and displaced families in the Gaza Strip,

Expressing concern about the severe classroom shortage in the Gaza Strip and the consequent negative impact on the right to education of refugee children as a result of the constraints on the ability of the Agency to construct new schools due to Israel's ongoing restrictions impeding the entry of necessary construction materials into the Gaza Strip,

Stressing the urgent need for the advancement of reconstruction in the Gaza Strip, including through the completion of suspended projects managed by the Agency, and for the accelerated implementation of other urgent United Nations-led civilian reconstruction activities,

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees,

Deploing the endangerment of the safety of the Agency's staff and the damage and destruction caused to the facilities and properties of the Agency, including damage caused to the Agency's "Summer Games" recreational properties, during the reporting period,

Deploing also, in particular, the extensive damage and destruction of Agency facilities in the Gaza Strip caused during the military operations between December 2008 and January 2009, including schools where civilians were sheltered and the Agency's main compound and warehouse, as reported in the summary by the Secretary-General of the report of the Board of Inquiry [12](#) and in the report of the United Nations Fact-finding Mission on the Gaza Conflict, [13](#)

Deploing further, in this regard, the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference and the failure to protect United Nations personnel, premises and property,

Deploing the killing and injury of Agency staff members by the Israeli occupying forces in the Occupied Palestinian Territory since September 2000,

Deploing also the killing and wounding of refugee children in the Agency schools by the Israeli occupying forces during the military operations between December 2008 and January 2009,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,

Aware of the agreement between the Agency and the Government of Israel,

Taking note of the agreement reached on 24 June 1994, embodied in an exchange of letters between the Agency and the Palestine Liberation Organization, [14](#)
