

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Interim Force in Lebanon, established pursuant to Security Council resolution 425 (1978) of 19 March 1978 for the period from 19 March to 18 September 1978 inclusive, and the related report of the Advisory Committee on Administrative and Budgetary Questions,

Reaffirming its previous decisions regarding the fact that, in order to meet the expenditures caused by such operations, a different procedure from the one applied to meet expenditures of the regular budget of the United Nations is required,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

Bearing in mind the special responsibilities of the States permanent members of the Security Council in the financing of such operations, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963 and other resolutions of the Assembly,

Urging all concerned to implement strictly Security Council resolution 425 (1978) in all its parts.
