SECRETARY-GENERAL CONDEMNS KILLING OF FOUR ISRAELIS IN WEST BANK

The following statement was issued today by the Spokesperson for UN Secretary-General Ban Ki-moon:

The Secretary-General condemns the killing of four Israeli citizens in the West Bank on 31 August. He extends his condolences to the families of the victims and calls for the perpetrators of this crime to be promptly brought to justice.

This attack must be recognized for what it is: a cynical and blatant attempt to undermine the direct Israeli-Palestinian negotiations starting tomorrow. Negotiations are the only way for the parties to resolve all final status issues. The Secretary-General calls upon both sides to show leadership, courage, and responsibility to realize the aspirations of both peoples.
