Expressing its concern about the widespread destruction caused by Israel, the occupying Power, to vital infrastructure, including water pipelines and sewage networks, in the Occupied Palestinian Territory, in particular in the Gaza Strip in the recent period, which, inter alia, pollutes the environment and negatively affects the water supply and other natural resources of the Palestinian people,

4. *Stresses* that the wall and settlements being constructed by Israel in the Occupied Palestinian Territory, including in and around East Jerusalem, are contrary to international law and are seriously depriving the Palestinian people of their natural resources, and calls in this regard for full compliance with the legal obligations affirmed in the 9 July 2004 advisory opinion of the International Court of Justice⁵ and in relevant United Nations resolutions, including General Assembly resolution ES-10/15;
5. *Calls upon* Israel, the occupying Power, to comply strictly with its obligations under international law, including international humanitarian law, with respect to the alteration of the character and status of the Occupied Palestinian Territory, including East Jerusalem;
6. *Also calls upon* Israel, the occupying Power, to cease all actions harming the environment, including the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely water and land resources, and which pose an environmental, sanitation and health threat to the civilian populations;
7. *Further calls upon* Israel to cease its destruction of vital infrastructure, including water pipelines and sewage networks, which, inter alia, has a negative impact on the natural resources of the Palestinian people;
8. *Requests* the Secretary-General to report to the General Assembly at its sixty-seventh session on the implementation of the present resolution, including with regard to the cumulative impact of the exploitation, damage and depletion by Israel of natural resources in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and decides to include in the provisional agenda of its sixty-seventh session the item entitled “Permanent sovereignty of the Palestinian people in the Occupied Palestinian Territory, including East Jerusalem, and of the Arab population in the occupied Syrian Golan over their natural resources”.
