5. [Access and Movement for Civilians](#)

a) Curfew

b)

Date	Location, Governorate	Duration
11 October	Beit Ur at Tahta	3 hours
Total Week		3 hours

- **11 October:** At 9pm, the IDF imposed a 3-hour curfew in Beit Ur at Tahta (Ramallah) and conducted a house-to-house search.

c) Access to education

Employees of PA ministries, including teachers and health care workers, continued an open-ended strike in protest against the non-payment of salaries since March 2006. The strike started on 2 September and the only group of employees to have temporarily lifted the strike are teachers in the Gaza Strip, after an agreement was reached suspending the strike. A partial strike continued in Bethlehem and Hebron Governorates after some of the salaries

have been received. In some schools three classes a day are being taught whilst other schools are still completely closed.

d) Access to employment/permits

There is currently no communication between Israeli and Palestinian authorities; Palestinian workers and traders apply directly to the Israeli authorities for permits to enter Jerusalem and Israel.

The criteria for eligibility for an Israeli permit are: a Palestinian should be above 35 years old, married with children and with no security file. To apply for work permits inside Atarot industrial zone, a person should be above 21 years old, and married with children.

As of 14 September, the IDF announced that only Palestinians with Jericho residency, and Jerusalem ID holders, would be able to exit Jericho via the Jericho DCO checkpoint, forcing all others to either request a permit or travel on the Al Mu'arrajat old road to reach the rest of the West Bank.

6 – 15 October: West Bank Palestinian workers holding valid work permits were denied access to their work places inside Israel due to the Jewish holiday of Sukkot. Palestinians with valid agricultural work permits were allowed to enter, as well as Palestinian worshippers visiting Al Aqsa Mosque.

e) Closures/movement restrictions

Gaza Strip:

The external closure of the Gaza Strip continues with no Palestinian workers allowed to access Israel since 12 March.

West Bank:

6 – 15 October: The IDF imposed a general closure and restricted Palestinian access to Jerusalem due to the week-long Jewish holiday of Sukkot.

Nablus Governorate:

11 October to date: Age restrictions on Palestinian men from Nablus city aged 18 – 25 at Huwwara and Beit Iba checkpoints.

12 October: The IDF closed Beit Iba checkpoint for two hours.

14 October: The IDF closed Beit Iba and Asira ash Shamaliya checkpoints for several hours.

Ongoing incidents:

- The IDF continues to close the road connecting Qaryut village with Road 60 and the Mekorot water filling point with a road block. The closure separates three villages (Talfit, Jalud and Qaryut), from their source of water.
- The IDF continues to close Shave Shomeron checkpoint for all vehicles, including UN and humanitarian organisations.
- The IDF has closed Al Badhan road with three earth mounds preventing Palestinians vehicular movement between Jenin, Tubas and Nablus governorates for 29 consecutive weeks.

Jenin Governorate:

Ongoing incidents:

- Since 30 August, the IDF have allowed 40 commercial trucks (with less than a two tonnes freightload) to transport food products to Barta'a enclave. A list with the plate numbers of the trucks is present at the checkpoint. Other materials require prior coordination.

Tubas Governorate:

No incidents to report

Tulkarm Governorate:

16 October: The IDF opened the exit from the Kafriat checkpoint leading to the road to Tulkarm, and closed the Kafriat tunnel road for construction. Residents of Tulkarm district use Kafriat checkpoint and the Barrier security road near Khirbet Jbara to cross between north and south of the governorate.

Ongoing incidents:

- The IDF continues to prevent Palestinians with Israeli IDs from entering Palestinian areas unless they have relatives in Tulkarm.

Qalqiliya Governorate:

Ongoing incidents:

- The IDF closed the main entrance to 'Izbat at Tabib village with an earthmound.
- The IDF continues to close the dirt roads connecting Kafr Qaddum with Hajja, Kur and Beit Lid villages.

Salfit Governorates:

Ongoing incidents:

- The gate remains closed at the northern entrance of Kafr ad Dik.
- The agricultural gates in the Barrier near Mas-ha and Az Zawiya remains shut.
- The road connecting Bruqin village with Barqan industrial area and Road 5 is blocked by three earth mounds, preventing Palestinian vehicular movement from northern West Bank towards the south.

Ramallah / Al Bireh Governorate:

12 October: Long traffic jams were reported at the Asara chechpoint. Delays up to three hours were experienced.

Bethlehem Governorate:

Israeli Border Police at the entrance Khallet Nu'man continued to deny access of essential services such as dump trucks and gas trucks. National staff of international organizations are required to show their national IDs along with their organization ID to enter the village.

Hebron Governorate:

11 - 17 October: IDF presence in the H2/Hebron was kept at high levels due to the Jewish holiday of Sukkot. There was increased IDF activity in the Old City of Hebron (including house searches and foot patrols coupled with an increase of the stop-and-search campaign especially during the Muslim prayers of *Al taraweeh*). Settler marches and group celebrations near the settlements.

Jerusalem Governorate:

No incidents to report.

Jericho Governorate/Jordan Valley:

No incidents to report.

Gaza Strip

During the reporting period:

- Karni crossing was open except on 14 October. The container bays were closed for construction all week until 17 October when they were reopened.
- Rafah Passengers' terminal was open for one of seven days.
- Erez crossing was partially open for the movement of diplomats, international humanitarian workers and critical medical cases. (Non-diplomats require prior coordination with the IDF which is being decided on a case-by-case basis).
- Nahal Oz energy pipelines were open for the import of fuel supplies for six days.
- Sufa crossing was open on five days for the import of construction materials.
- Kerem Shalom crossing was open five days for the import of humanitarian aid.
- Gaza fishermen continued to be prevented from accessing the sea since 25 June.

Ongoing incidents:

- The IDF informed the Palestinian DCO that eastern Beit Hanoun (approximately one km along the security fence east of Beit Hanoun) was a closed military area.
- Palestinians have been told by the IDF to keep at a distance of at least 150 metres from the perimeter fence in the eastern and northern Gaza Strip.
- The IDF declared parts of the northern Gaza Strip a "no-go" or enlarged buffer zone on 28 December 2005. This area, in the former enclosed area of As Siafa, is home to more than 250 Palestinians. As a result of IDF artillery shelling, more than half the families in the area have relocated to surrounding localities outside the buffer zone. Entry into the area is only possible with prior coordination from the IDF.

7. Olive Harvest

- **Nablus:** The IDF obstructed Palestinians from Kafr Qalil (Nablus) picking olives near Bracha settlement. The Israeli DCL intervened, allowing the farmers to pick the olives.
- **Jenin:** The IDF closed the agricultural gates of the Barrier in Jenin governorate until the end of Ramadan. According to the IDF, only a few farmers use these gates.
- **Hebron:** Israeli settlers from the Tel Rumeida settlement, H2/Hebron, picked the olive trees belonging to Palestinians living close to the settlement.

Appendix: Checkpoints: 11 – 17 October 2006

Checkpoint	Status
Tulkarm:	
Taybeh	Open between 5.30am to 8pm Sunday to Thursday and 5.30am to 12 am on Fridays for humanitarian organisations and Palestinians with permits. The checkpoint leads to the back-to-back checkpoint.
Efrayim	Open from 4am to 7pm Sunday to Thursday and 4am to 12pm on Fridays for Palestinian workers and traders. 6 - 15 October closed due to Jewish holiday of Sukkot.
Kafriat	Open 24 hours. It is manned and physically divided into three parts: one that controls movement to and from Tulkarm town; one that controls movement to Israel proper; and one that controls movement to and from Jubara. On 24 May, the IDF closed the part leading to the road into Tulkarm so residents of Jubara have to reach Tulkarm through Kafriat Tunnel. No vehicles from Tulkarm can reach Road 57 through Kafriat checkpoint.

Method and Sources

The information used to compile these Briefing Notes comes from a range of sources with a field presence in the West Bank and the Gaza Strip. The accuracy of the reported information is ensured through the corroboration of reports by two additional sources. Typically, the OCHA Field Coordination Unit (FCU) receives an initial incident report from a source, which is verified through visits to the incident site in addition to further corroboration with a third source, such as an NGO. In addition, OCHA FCU collects military orders as documentary evidence and provides information on incidents witnessed in person.

In the interests of timeliness and readability, the sources are not listed for each incident within the texts of the report. Listed below are the sources relied upon each week in compiling this Briefing:
