Protection of Civilians Weekly Report

21 March – 27 March 2007

Of note this week

Five Palestinians, including three children, were killed and more than 35 injured when sand barriers of a wastewater collection pool collapsed flooding the nearby Bedouin Village and al Nasser area in the northern Gaza Strip with sewage water. Extensive property damage and destruction resulted and a temporary relief camp was sheltering approximately 1,450 people.

West Bank:

- The PA health sector strike continues for more than one month in the West Bank. Employees of the health sector staged a sit-in in front of Alia Governmental Hospital in Hebron to protest the government's inability to pay employees' salaries. In Bethlehem, all municipality workers went on a one-day strike to protest non-payment of their salaries over the past four months.
- Clashes at Qalandiya checkpoint (Jerusalem) have occurred on a regular basis on Friday afternoons following the construction work by Israel at the Mughrabi gate in the Old City area. This week, Palestinians threw Molotov cocktails and stones at IDF soldiers who responded with live rounds injuring one Palestinian.

Gaza Strip

- 18 homemade rockets, three of which detonated in a Palestinian area, and a Rocket Propelled Grenade (RPG) were fired at an IDF observation post east of Al Maghazi Camp. No injuries were reported.
- In five separate incidents, eight Palestinian men were injured when IDF soldiers stationed at the border fence opened fire and fired a tank shell. IDF gunboats also open fire in the direction of Palestinian fishing boats west of Rafah. The fishing boats returned to seashore, No injuries were reported.
- Seven Palestinians were killed including one child were killed during Palestinian internal violence, predominantly inter-factional fighting between Hamas and Fatah supporters. Abductions of rival factions' members were also reported.
- The BBC's Gaza based reporter has been kidnapped for more than two weeks and his whereabouts and motive behind the kidnapping remain unknown.
- The Salah Edin road Wadi Gaza Bridge was reopened following its destruction almost eight months ago by the IDF at the start of Operation 'Summer Rains'.

1. Physical Protection¹

¹ Note that this excludes casualties resulting from Palestinian-Palestinian (internal) violence reported in Section 2.

- **21 March:** The IDF handed a demolition order for a Palestinian house and two barracks, a chicken pen and a factory, for structures in Jit village (Qalqiliya). The owner reports that he has had a building permit since 1993.
- **21 March:** The IDF partially demolished a house in Al 'Ubeidiya (Bethlehem) after a siege that lasted 7 hours due to suspicion that a wanted Palestinian was hiding inside. The IDF withdrew without making any arrest.
- **27 March:** Hundreds of houses and sheds were fully and partially demolished and flooded with sewage water in the Bedouin Village and al Nasser area as a result of the collapse of a wastewater collection pool at Beit Lahia. Damage assessments are currently underway and further details will be provided as they become available.

4. Natural Resources

Land levelling/Requisitions/Tree Uprooting³

Nablus Governorate:

Ongoing incidents:

- Since 15 January 2007 the IDF have continued to level eight dunums of land near Huwwara checkpoint to expand the checkpoint. The land belongs to Palestinians from Burin village and was earlier requisitioned on 10 July 2005 (Military Order T/106/05).
- Since 17 September 2006 land levelling continues for a road barrier installed north of Road 505, east of Za'atara checkpoint.
- Since 15 June 2006 land levelling has continued north of Shave Shomeron settlement (west of Nablus) to install a fence.

Jenin Governorate:

22 to 26 March: The IDF levelled land near the entrance of 'Ajja village beside Road 60 and installed concrete blocks establishing an observation point.

Ongoing incidents:

- Since 19 March 2007: The IDF continue to level land in the evacuated settlement of Sanur.

Tubas Governorate:

No incidents to report.

Tulkarm Governorate:

Ongoing incidents:

- Land levelling continues around Avnei Khefets and Enav settlements for the construction of a new fence.

Qalqiliya Governorate:

25 March: The IDF issued a requisition order (No. T/09/07) requisitioning 79.6 dunums of land in Jayyus and 'Azzun for the construction of the Barrier.

³ 4 dunums = 1 acre; 10 dunums = 1 hectare

Ongoing incidents:

- Barrier construction: land levelling and construction work continue near Immatin village, between 'Azzun and Kafr Thulth and between Azzun and Kafr Laqif.

Salfit Governorate:**Ongoing incidents:**

- Barrier construction: Israeli contractors continue construction and land levelling north of Salfit City, Iskaka and Deir Istiya villages and south of Marda and Kifl Haris villages around Ariel settlement.

Ramallah / Al Bireh Governorate:**Ongoing incidents:**

- Barrier construction:
 - Construction continues between Kharbatha al Misbah and Bil'in and is in the final stages in the section between Beit 'Ur al Fauqa and At Tira villages.
 - The Barrier construction and what is called by the IDF the "special security arrangement" around Ateret settlement is completed. A fence now encircles the settlement on land earlier requisitioned by the IDF and belonging to Palestinians from Atara and Umm Safa villages.
 - The last section of the Barrier in Beit Sira village is complete between Beit Sira and Makkabim settlement. A 400-metre section between the village and Beit Nuba is under construction and a gate is being installed.
 - Following a decision by the Israeli High Court approving a new route of the Barrier in 'Abud, construction resumed parallel to bypass Road 465, as well as between 'Abud and Ofarim and Beit Arye settlements.

Jerusalem Governorate:**Ongoing incidents:**

- Barrier construction:
 - Construction continues along the projected route in the Jerusalem governorate. Exceptions to this are northeast of Al 'Eizariya towards Ma'ale Adummim settlement. Construction continues along a 3 km stretch of the Barrier south of Ma'ale Adummim and Kedar but has stopped since 3 March 2006 pending a court case.
 - Construction near Ar Ram checkpoint between Dahiyat Al Bareed and Atarot is ongoing. Only one detour between the neighborhoods of Ar Ram and Dahiyat Al Bareed remains possible due to the continued construction. Even pedestrians have been stopped going through these areas this week and clearly the barrier will soon seal off this neighbourhood entirely from al Ram and the West Bank and encompassing it into Jerusalem. The once open area through the wall, is now a 'Gate' sealed off with a large iron structure. This week, the iron gate was closed most days. Vehicles are currently using a rough road a few meters beyond the gate. Construction of the Barrier in this neighbourhood is progressing at a rapid pace.
- The construction of a road barrier continues on Road 1, east of Az Za'ayem. Palestinians with Jerusalem ID cards driving to Jerusalem now have to drive south to Ma'ale Adummim and then return through Az Za'ayem checkpoint.
- Construction of an Israeli police station in E1 continues.
- The road between Anata and Al 'Eizariya is under construction (Road 70). Another road (Road 80) is planned that will link Abu Dis to Road 1 east of the planned Barrier around Ma'ale Adummim. The road will be open for Palestinians only.

Jericho Governorate:

No incidents to report.

Bethlehem Governorate:**Ongoing incidents:**

- Barrier construction:
 - Construction continues next to Al Khadr Boys School along the eastern side of Road 60 adjacent to the school playground.

- Land levelling continues in the section of Road 60 between the Palestinian village of Al Khadr and Al Nashshash (southern entrance of the city of Bethlehem).
- Land levelling continues in the vicinity of the settlement of Har Gilo.
- Land levelling continues in the vicinity of the settlement of Efrat, near Artas village.
- Land levelling and digging for the construction of the tunnel near Al Khader village has accelerated. Levelling is also taking place along the western side of Road 60. Concrete partitions were placed during the reporting period. Additional sections of the Barrier have been erected in this section during the reporting period.
- Paving continues on the side of Tunnels checkpoint to expand the site. Six lanes have been paved so far and four inspection cabins were installed.
- Work continues on the road leading to the Talita Khoumy School. A one-metre high road barrier was installed and land levelling has continued on both sides of the road.
- Land levelling continues for the construction of the new terminal next to Al Jab'a checkpoint.
- Construction work at Nu'man terminal is ongoing.
- Land leveling is on-going east of the Gush Etzion checkpoint.

Hebron Governorate:

22 March: IDF soldiers provided security for Israeli bulldozers levelling lands around an Israeli quarry near the town of Adh Dhahiriya (Hebron). Tens of dunums of land was levelled over the two day period.

Ongoing incidents:

- Barrier construction: construction continues west of Eshkolot settlement.
- Land leveling including paving continues west of the checkpoint of Tarqumiya for a new commercial checkpoint.

Gaza Strip:

25 March: Two IDF tanks and two bulldozers moved from the border fence and entered 150 metres into the Palestinian area east of Al Maghazi Camp to conduct a levelling and excavation operation.

25 March: Two IDF tanks and two bulldozes entered 150 metres into the Palestinian area east of Al Maghazi Camp to conduct a levelling and excavation operation.

26 March: Two IDF tanks and two bulldozers moved from the border fence and entered 150 metres into the Palestinian area east of Al Bureij Camp to conduct a levelling and excavating operation.

5. [Access and Movement for Civilians](#)

a) Curfew

No periods of curfew to report this week.

b) Access to education

21 – 27 March: During the reporting period, the IDF and Israeli Police generally arrived on time to escort Palestinian students from their elementary school in At Tuwani (south Hebron) to their homes in Tuba and Magyar Al-Abid. The escort has been provided since 2004 to protect the students from attacks by Israeli settlers from the Ma'on settlement.

21 March: Two UNRWA schools in Shejayeh area (Gaza Strip) were disrupted due to the armed clashes between local family and Hamas.

21 March: The morning shift of ten UNRWA schools in Jabalia & Beit Lahia were disrupted due to factional fighting between Hamas and Fatah supporters.

23 March: A "live" hand grenade was found inside the premises of the UNRWA Beit Lahia Elementary Girls School. It is believed the hand grenade was thrown during an armed factional clash. The hand grenade was safely removed and there were no injuries.

27 March: Schools in the Bedouin Village and al Nasser area (northern Gaza Strip) remain closed following flooding after sand barriers of a wastewater collection pool collapsed. This has affected hundreds of students.

c) Access to employment

Ongoing incidents:

- The general closure imposed on the Gaza Strip by Israeli authorities since 12 March 2006 remains in place.
- All Palestinians must apply directly to the DCL offices in the Jerusalem peripheries to obtain Israeli permits. The criteria for people to be eligible for an Israeli permit are similar for both workers and traders; a Palestinian should be above 35 years old, married with a child and with no security file. Criteria to apply for work permits inside Atarot industrial zone; a person should be above 21 years old, married with a child.
- Since 16 February to date: The PA health sector in the West Bank remains on strike. The governmental hospitals and the MoH clinics are on strike in the West Bank except for the emergency departments at the hospitals. The health clinics will open once every two weeks for vaccination and to distribute medicine for chronic diseases.

d) Closures/movement restrictions

Nablus Governorate:

22 March: The IDF closed the dirt roads connecting Road 57 with 60 near Shave Shomron settlement. Palestinians used these roads to travel between Nablus and Jenin as they are not allowed to use Shave Shomron checkpoint.

24 March: The IDF closed Al Badhan checkpoint for several hours due to security alert.

24, 26 and 27 March: Long queues and delays at Huwwara, Beit Iba, Zaatara and Al Badhan checkpoints were reported.

26 March: The IDF closed Huwwara checkpoint for two hours after reportedly finding a suspicious object.

Ongoing incidents:

- Since 10 March, the IDF continued to close Qusin checkpoint and divert commercial trucks to Beit Iba checkpoint.

Jenin Governorate:

26 and 27 March: The IDF closed Shave Shomron checkpoint and Road 60 up to Silat ad Dhahar to secure Israeli settlers who returned back to the evacuated settlement of Khomesh.

Ongoing incidents:

- Since 30 August 2006, the IDF have allowed 40 commercial trucks (with a freight load of under two tonnes) to transport food products to Barta'a enclave. A list with the plate numbers of the trucks is present at the checkpoint. Other materials still require prior coordination.

Tubas Governorate:

No incidents to report.

Tulkarm Governorate:

22, 26 and 27 March: Long queues and delays at 'Anabta and Kafriat tunnel checkpoints were reported.

Qalqiliya Governorate:

No incidents to report.

Salfit Governorates:

Ongoing incidents:

- The IDF continues to close the gate at the northern entrance of Kafr ad Dik.

Ramallah / Al Bireh Governorate:

21 March: At around 4pm, the Israeli Border Police deployed a flying checkpoint between Safa and Beit 'Ur at Tahta stopping all movements going west. Delays of 30 minutes were experienced.

Bethlehem Governorate:

No incidents to report.

Hebron Governorate:

No incidents to report.

Jerusalem Governorate:

23 March: Israeli Security Forces were on high alert in and around the Old city of Jerusalem in anticipation of further demonstrations and clashes after the Friday Prayers in Al Aqsa mosque. Access to the old city of Jerusalem was limited to those who live in the old city; and Israeli ID holders over 50 years old.

During the reporting period: Palestinians experienced long delays at the pedestrian lane of Qalandia checkpoint.

Jericho Governorate/Jordan Valley:

During the reporting period: Delays up to one hour were experienced on daily basis at Tayasir checkpoint during morning and evening rush hours.

Ongoing incidents:

- Since 9 January, Bisan checkpoint, north of Tubas, has been open for Palestinian merchants from the Jordan Valley and Jericho to export their agricultural produce into Israel using a back-to-back system. Palestinians from the West Bank in possession of BMC cards (traders permits) in addition to an Israeli permit, are allowed through this checkpoint into Israel. Palestinians working for international organisations continue to be prohibited from using Bisan checkpoint.
- Since 14 September 2006, the IDF announced that only Palestinians with Jericho residency and Jerusalem ID and residents of Bethlehem and Hebron holders would be able to exit via the Jericho DCO checkpoint, forcing all others to either request a permit or travel on the Al Mu'arrajat old road to reach the rest of the West Bank. Palestinians employed by international organisations, humanitarian workers and residents of Abu Dis, Ash Sheikh Sa'd, Al 'Eizariya, Az Za'ayem and As Sawahira village are allowed to exit Jericho via the DCO checkpoint.

Gaza Strip

27 March: All streets and roads were inaccessible in the Bedouin Village and al Nasser area following the collapse of sand barriers around the wastewater collection pool in the area.

During the reporting period:

- Karni was open on all scheduled operating days during the reporting period. However, on 21 March the crossing did not open until 2:30 pm.
- Erez crossing was partially open for the movement of diplomats, international humanitarian workers, critical medical cases and Palestinian 'senior' traders. (Non-diplomats require prior coordination with the IDF which is being decided on a case-by-case basis). The crossing continues to be closed for Palestinian workers (since 12 March 2006).
- Nahal Oz energy pipelines were open on five out of the scheduled six opening days.
- Sufa crossing was closed all week except on 22 March. The Palestinian side reports that the crossing is closed due to Israeli demands of new security arrangements.
- Kerem Shalom was closed all the week.
- Gaza fishermen are permitted to fish up to six nautical miles off the coastline.

Ongoing incidents:

- Following Israel's unilateral disengagement from the Gaza Strip in September 2005, the IDF announced that Palestinians should keep a distance of at least 150 metres from the perimeter fence along the eastern and northern borders of the Gaza Strip
- On 28 December 2005, the IDF declared the former northern settlement bloc to be a 'no-go' zone. Officially, entry into the area for the 250 residents and international organisations requires prior coordination with the IDF, however this is not enforced.

Method and Sources

The information used to compile these Briefing Notes comes from a range of sources with a field presence in the West Bank and the Gaza Strip. The accuracy of the reported information is ensured through the corroboration of reports by two additional sources. Typically, the OCHA Field Coordination Unit (FCU) receives an initial incident report from a source, which is verified through visits to the incident site in addition to further corroboration with a third source, such as an NGO. In addition, OCHA FCU collects military orders as documentary evidence and provides information on incidents witnessed in person.

In the interests of timeliness and readability, the sources are not listed for each incident within the texts of the report. Listed below are the sources relied upon each week in compiling this Briefing:

- Physical protection: OCHA FCU, Palestine Red Crescent Society (PRCS), United Nations Relief Works Agency (UNRWA), World Health Organization (WHO), Israel Defence Forces (IDF) website, Israel Ministry of Foreign Affairs (MFA), offices of Palestinian Authority (PA) governors, Palestinian District Civilian Liaison (DCL).
- Shelter and property: OCHA FCU, UNRWA, Palestinian DCL.
- Natural Resources: OCHA FCU, Al Mezan Center for Human Rights, UNRWA, Palestinian DCL, Village Councils, Land Defence Committee and Land Research Centre.
- Access for Medical Assistance: OCHA FCU, WHO, PRCS, Palestinian Ministry of Health (MoH), UN World Food Programme, United Nations Children's Fund (UNICEF), UNRWA.
- Access and Movement for Civilians: Sources: Palestinian DCL, Christian Peacemakers Team (CPT).
- Curfews: OCHA FCU, Village Councils, UNRWA, Palestinian DCL.
- Access to Education: OCHA FCU, UNRWA, UNICEF, Palestinian DCL, Village Councils.
- Access to Employment: UNRWA, United Nations Office of the Special Coordinator for the Middle East (UNSCO), Palestinian Ministry of Labour (MoL), Palestinian DCL, Palestinian Chamber of Commerce, Israeli DCL.
- Closures/Movement Restrictions: OCHA FCU, UNRWA.
- Additional Protection issues: OCHA FCU, UNRWA, United Nations Department of Safety and Security (UNDSS), UNSCO, Palestinian DCLs, Palestinian Governors' offices, Al Mezan Center for Human Rights, IDF.
