ANNEX

Letter dated 20 July 1981 from the Permanent Observer of the
Palestine Liberation Organization to the United Nations
addressed to the Secretary-General

I wish to refer to the numerous calls and presentations by telephone made over the weekend with both Mr. Urquhart and Mr. Liu concerning the continued and escalated Israeli attacks after the Security Council has put forward its appeal calling for an immediate end to all armed attacks.

I am instructed by Chairman Arafat to bring to your attention the attached list of Israeli attacks as of 0045 hrs on July 18, and also to refer to statements by Begin and Zipori proclaiming a new policy of striking (eliminating) Palestinian and Palestinian installations within civilian areas.

The barbaric and terrorist attack on July 17 is nothing but genocidal in nature and the Palestine Liberation Organization would remind the international community of its responsibility and duties vis a vis genocide and the perpetrators of genocide.

Accept, Excellency, the assurances of my highest esteem.

(Signed) Zuhdi Labib TERZI
Permanent Observer
