Forty-seventh year

Letter dated 9 December 1992 from the Acting Permanent  
Representative of Saudi Arabia to the United Nations  
addressed to the Secretary-General

- (a) Final communiqué (annex II);
- (b) Resolutions (annex III).

I should be grateful if you would have the text of the present letter and its annexes circulated as a document of the General Assembly, under agenda items 25 and 143, and of the Security Council.

ANNEX I

Letter from the Minister for Foreign Affairs of  
Saudi Arabia addressed to the Secretary-General

I am pleased to transmit to you, in my capacity as Chairman of the sixth extraordinary session of the Conference of Foreign Ministers of the States members of the Organization of the Islamic Conference on the situation in Bosnia and Herzegovina, held at Jeddah, Kingdom of Saudi Arabia, on 7 and 8 Jumada II A.H. 1413, corresponding to 1 and 2 December A.D. 1992, the annexed resolution and final communiqué on the situation in Bosnia and Herzegovina that were adopted by the Conference (see annexes II and III).

In addition to expressing the extreme grief and profound disquiet felt by the Organization of the Islamic Conference about the deterioration of the situation in the Republic of Bosnia and Herzegovina, the resolution also reflects the profound concern of its member States about the need for effective action by the Security Council to implement its resolutions on Bosnia and Herzegovina.

I wish to inform you that the States members of the Organization of the Islamic Conference have resolved to work within the framework of international legitimacy to assist the Government of the Republic of Bosnia and Herzegovina in the exercise of its legitimate right to individual and collective self-defence under Article 51 of the United Nations Charter.

In this connection, I must point out that the practical reality has established the fact that Security Council 713 (1991), which imposes an arms embargo on the Republics of the former Yugoslavia, does not serve the people of Bosnia and Herzegovina, because the Serbs have inherited the arsenal of lethal weapons that are now in their possession and, consequently, the arms embargo imposed on the Republics of the former Yugoslavia affects only the party against which aggression is being committed. Accordingly, the application of the Security Council resolution on the arms embargo has inflicted the greatest damage on the people of Bosnia and Herzegovina and has prevented their being enabled to exercise the right of legitimate self-defence guaranteed under Article 51 of the United Nations Charter. Consequently, justice requires that the Government of the Republic of Bosnia and Herzegovina be enabled to obtain the weapons that it needs for purposes of the legitimate defence of its existence, and this requires that the Republic of Bosnia and Herzegovina be excepted from the embargo on sales of weapons to the Republics of the former Yugoslavia, which was basically imposed solely in order to protect the people of Bosnia and Herzegovina from the repugnant and continual Serbian aggression against them. Such an exception would be in accordance with paragraph 4 of resolution 46/242 of the United Nations General Assembly, which reaffirms the right of the Republic of Bosnia and Herzegovina to self-defence.

/...

At the same time, the States members of the Organization of the Islamic Conference have confidence in the United Nations and are convinced that the international community as a whole and the Security Council in particular will take decisive measures to uphold the principles of the United Nations Charter and international custom, which are exposed to blatant violation by Serbia and Montenegro.

We are still prompted by the hope that the Security Council will assume its responsibilities and work for the establishment of peace and the termination of the Serbian aggression against the Republic of Bosnia and Herzegovina with all the speed necessary to achieve that end.

I should like to draw your attention to paragraphs 6 to 20 and 22, 24 and 25 of the text of the resolution, which contain specific requests to the United Nations.

I should like also to draw your attention in particular to paragraphs 10 and 11 of the text of this resolution, which refer, inter alia, to the question of the embargo on the sale of arms imposed on Bosnia and Herzegovina and which request the Security Council to review, by 15 January 1993, the situation in Bosnia and Herzegovina and the implementation of the relevant Security Council resolutions, including resolution 752 (1992), and of the commitments reached during the London Conference.

In view of the gravity of the situation in Bosnia and Herzegovina and the necessity of urgent and effective action by the Security Council, on the basis of Chapter VII of the United Nations Charter and in order to establish peace in this Republic, contain the crisis and prevent its spread to other parts of the former Yugoslavia and its explosion and transformation into a regional confrontation, I am certain that you will urge the Security Council to take cognizance immediately of this situation and of the requests of the sixth extraordinary session of the Conference of Foreign Ministers of the States members of the Organization of the Islamic Conference.

I should like to convey to you and, through you, to the members of the Security Council, the firm desire of the member States for full cooperation with the Security Council in the endeavour to establish peace and protect the sovereignty and territorial integrity of the Republic of Bosnia and Herzegovina.

He called for concerted efforts to seriously put into effect the resolutions adopted by the London Conference stressing the need for securing the distribution of humanitarian assistance through the United Nations to the citizens of

/...

Bosnia-Herzegovina particularly in view of their worsening plight. He spoke about the efforts being made by the United Nations and reaffirmed the support of the Kingdom of Saudi Arabia for all the resolutions adopted by the Security Council the latest of which being Resolution 787 which provides for the tightening of the boycott imposed on Serbia and Montenegro because of their continuing aggression against the Republic of Bosnia-Herzegovina. He stated that justice requires that the Government of the Republic of Bosnia-Herzegovina be given the possibility to obtain the weapons it needs for legitimate self-defense. He reaffirmed support for all ongoing efforts to find a just, durable and comprehensive solution to the Palestinian question in accordance with Security Council Resolutions 242 and 338. The Custodian of the Two Holy Mosques also broached the question of the deteriorating crisis in Somalia and called for intensification of efforts to provide assistance to this brotherly people. He commended the successful efforts being made by the Secretary General of the Organization of the Islamic Conference and his staff as well as the efforts and endeavours being exerted by Minister Cyrus Vance and Lord David Owen in their capacity as Co-Chairmen of the International Conference on former Yugoslavia.

4. His Excellency Alija Izetbegovich, President of the Republic of Bosnia-Herzegovina addressed the Conference and expressed his gratitude for the steadfast support extended by the Organization of the Islamic Conference to the struggle of his Government and people against Serbian aggression. He apprised the Conference of the prevailing situation in Bosnia-Herzegovina.

5. His Excellency Sali Berisha, President of the Republic of Albania also addressed the Conference. He highlighted the importance which his government and people attach to the Organization of Islamic Conference, of which they wish to become full member. He also informed the Conference about the situation in the region of the Balkans and particularly the explosive situation now prevailing in Kosovo, the Sanjak and the Republic of Macedonia.

6. His Royal Highness Prince Saud Al Faisal, Foreign Minister of the Kingdom of Saudi Arabia was elected as Chairman of the Sixth Extraordinary Session of the Islamic Conference of Foreign Ministers.

7. His Royal Highness Prince Saudi Al Faisal delivered a speech in which he emphasized the significance of the tragic crisis in the Republic of Bosnia-Herzegovina. He

/...

pointed out that although the Security Council had adopted with respect to the situation in Bosnia-Herzegovina numerous resolutions which imposed sanctions on Serbia-Montenegro and declared a no-fly zone for military air crafts over Bosnia-Herzegovina, these sanctions did not achieve the expected results. Indeed the latest reports clearly show that Serbia-Montenegro are still being supplied with weapons and oil, which enhances their military capability and provides continued support to the Serbian forces in their aggression against the Republic of Bosnia-Herzegovina. He called for full implementation of the provisions of Article VII of the UN Charter, including Paragraph 42, in order to bring the Serbs and the Belgrade Government to comply with relevant Security Council resolutions. He also called on the international community to extend all possible support to the Republic of Bosnia-Herzegovina to enable it to exercise its legitimate right of self-defence in accordance with Paragraph 51 of the UN Charter. He further called on the international community to take a firm stand against the hateful ethnic attitude and to consider resistance to the Serbian aggression a common international responsibility in defence of justice, human rights principles and international legality. He recalled that the tragedy of the people of Bosnia-Herzegovina, in spite of its horror, cannot make us forget at any time the tragedy of the Palestinian people and reaffirmed support for all the efforts exerted to ensure the realization of the legitimate rights of the Palestinian people and find a just, lasting and comprehensive solution to the Palestine question in accordance with Resolution 242 and 338 of the Security Council.

8. The Conference heard with interest the message addressed by His Excellency Abdou Diouf, President of the Republic of Senegal and Chairman of the Sixth Islamic Summit Conference and delivered by H.E. Djibo Ka, Foreign Minister of the Republic of Senegal. In his message, His Excellency President Abdou Diouf thanked the Custodian of the Two Holy Mosques for hosting this Extraordinary Session of the Islamic Conference of Foreign Ministers so as to concert the efforts of the Member States with a view to ending the Serbian aggression against the Republic of Bosnia-Herzegovina.

9. His Excellency, Dr. Hamid Algabid, Secretary General of the Organization of the Islamic Conference, in his statement expressed the deep anguish and grave concern on the deteriorating situation in the Republic of Bosnia-Herzegovina and emphasized the need for speedy implementation of all international resolutions on Bosnia-Herzegovina notably those of the Security Council

/...

and the London Agreements. He stated that the Organization of the Islamic Conference had taken several important initiatives within the framework of Islamic solidarity and international legality to assist the Government and people of Bosnia-Herzegovina, safeguard the independence and territorial integrity of their country against Serbian aggression. He also reaffirmed the steadfast support of the Organization of the Islamic Conference for the Palestinian people for the realization of their inalienable national rights and deplored the Israeli repression and atrocities against the Palestinian and Arab people in the occupied territories and its repeated aggression against South Lebanon. He also emphasized the necessity of accelerating the ongoing Middle East peace process.

10. The Conference decided to consider the inaugural address of the Custodian of the Two Holy Mosques King Fahd Bin Abdul Aziz, Sovereign of the Kingdom of the Saudi Arabia and the message of H.E. Abdou Diouf, President of the Republic of Senegal and Chairman of the Sixth Islamic Summit as official documents of the Conference.

11. The Conference adopted its agenda contained in Document No.EX-ICFM/6-92/DA.1./Rev.2. The Conference elected the Heads of Delegations of the Republic of Senegal, Republic of Indonesia and the State of Palestine as Vice-Chairmen and the Republic of Turkey as the Rapporteur.

12. The Conference approved the requests of the Republic of Albania, the Republic of Kyrgyzstan, Zanzibar and the Republic of Tajikistan for full membership of the Organization of the Islamic Conference.

13. The Conference strongly condemned the Serbian aggression against the Republic of Bosnia Herzegovina and the Republic of Croatia and the non compliance by Serbia and Montenegro and the Serbian irregular forces therein of all relevant international resolutions. It also condemned vigorously the massive and flagrant violations of the human rights of the Bosnian people and considered the Serbian policy of "ethnic cleansing" and forcing the Muslims and Croats to leave their homes as intrinsically genocidal and a crime against humanity.

14. It reaffirmed its commitment to restoring peace in the Republic of Bosnia Herzegovina in accordance with relevant United Nations resolutions as well as safeguarding its unity, sovereignty, political independence and territorial integrity. It reaffirmed the principle of inadmissibility of acquisition of territory by force and the right of all Bosnian refugees to return to their homes in conditions of safety and honour. It also reaffirmed that the Republic of Bosnia Herzegovina has the inherent right of individual and collective self-defence in accordance with Article 51 of Chapter VII of the United Nations Charter.

/...

15. It urged the Member States to extend their cooperation to the Republic of Bosnia-Herzegovina in the exercise of its inherent right to individual and collective self-defence in accordance with Article 51 of the U.N. Charter. It also requested the Security Council to review by 15 January, 1993, the situation in Bosnia-Herzegovina and the implementation of the relevant Security Council Resolutions including Resolution 752 as well as of the relevant commitments reached during the International Conference on former Yugoslavia (London Conference) and instructed the Contact Group of OIC at the United Nations to follow up with the Security Council such review and advise the Member States on further measures, if any, that the OIC and its Member States can take with a view to responding positively to requests of the Republic of Bosnia-Herzegovina in accordance with Article 51 of the Charter of the United Nations.

16. It further requested the Security Council to clarify and declare explicitly that the arms embargo against Yugoslavia imposed by Resolution 713 does not apply to the Republic of Bosnia Herzegovina and to allow the immediate delivery of defensive arms to the Republic of Bosnia Herzegovina by Member States. It also requested the member states to assure the United Nations Secretary General and the Security Council of their readiness to contribute finances and personnel for implementing the decisions of the Security Council to restore peace in the Republic of Bosnia- Herzegovina.

17. It requested the Security Council to take immediately the necessary measures against Serbia and Montenegro including the use of force prescribed under Article 42 of Chapter VII of the United Nations Charter with a view to ensuring its full compliance with the relevant resolutions particularly resolutions 752 and 757 as well as to counter and deter further acts of external aggression against the Republic of Bosnia Herzegovina. It also requested the Security Council to ensure effective enforcement of its decisions establishing a no fly zone over the territory of Bosnia- Herzegovina and to deploy U.N. forces on the Bosnian/Serbian and Bosnian/ Montenegrin borders in order to prevent direct or indirect assistance to Serbian military and para military forces.

18. It deplored the breaches of the comprehensive and mandatory sanctions imposed by the Security Council against Serbia and Montenegro and urged the Security Council to take effective measures to enforce these sanctions. It also requested the Member States to take appropriate measures in

/...

accordance with the U.N. Charter, individually and collectively, against those states which are violating the UN sanctions against Serbia and Montenegro and to ensure that any transactions - economic or financial, direct or indirect - with Serbia and Montenegro are ceased until they fully comply with all relevant Security Council resolutions.

19. It supported the ongoing efforts of the United Nations to ensure the delivery of humanitarian assistance to the people of Bosnia-Herzegovina and requested the United Nations and other relevant international Organizations to consider urgently the introduction of Safe Areas in close consultation with all those involved in Bosnia-Herzegovina in the existing humanitarian effort to supply relief goods through road-convoys and air lifts, but to do nothing which would encourage the Serbian policy of ethnic cleansing. It also called for the reopening of the airports in the control of the Government of Bosnia-Herzegovina specifically Tuzla and Bihac for humanitarian supplies including air-drops, wherever required.

20. It urged the International Conference on former Yugoslavia, the European Community, the Conference on Security and Cooperation in Europe, the North Atlantic Treaty Organization, the West European Union and all others concerned to intensify their efforts for restoring peace in the Republic of Bosnia Herzegovina and to act urgently and effectively to stop the Serbian plans of altering the demographic composition of Bosnia Herzegovina. It noted that the Government of Bosnia-Herzegovina has accepted the constitutional principles proposed by the Co-chairmen of the Geneva Conference on former Yugoslavia and emphasized the need for imposing a speedy democratic settlement.

21. It warned the Serbian leadership in Belgrade and in Bosnia Herzegovina as well as all persons who commit or order the commission of breaches of international humanitarian law that they are individually responsible in respect of such breaches and could be punished for war crimes in accordance with the Geneva Conventions. It also called for the establishment of an International War Crimes Tribunal to try and punish those who are guilty of crimes against humanity and war crimes.

22. It requested the Security Council to act immediately to close all detention and concentration camps in Serbia and Montenegro and Bosnia Herzegovina established by the Serbs and stressed that until implementation, International Observers should be assigned to these camps and that the International Committee of the Red Cross be granted a free access to all such locations.

23. It expressed its grave concern over the increasing tension in Kosovo, the Sanjak and the Republic of Macedonia and alarm at the prospects of the use of force against the Muslims of these areas, which would have unforeseeable consequences and could lead to a wider regional conflagration. It urged the Security Council to give urgent consideration to deploying U.N. forces in Kosovo, the Sanjak, Vojvodina and the Republic of Macedonia so as to contain the extremely explosive situation prevailing in these areas.

24. It called upon the Member States to consider the early recognition of the Republic of Macedonia, including supporting its membership in the United Nations for the purpose of reinforcing peace and cooperation in the Balkans.

25. It decided to support fully all efforts to terminate the membership of former Yugoslavia (Serbia and Montenegro) at the level of all United Nations organs and institutions.

26. It expressed its appreciation to those states and international institutions which have provided humanitarian assistance to the people of Bosnia Herzegovina and appealed to all member states to contribute generously towards alleviating their sufferings including assistance to refugee centres for Bosnian Muslims in neighbouring countries especially in Croatia.

27. It commended the positive cooperation extended by the Republic of Croatia with a view to facilitating the implementation of the Security Council Resolutions relevant to the situation in Bosnia-Herzegovina particularly relating to ensuring and facilitating the delivery of assistance to this Republic.

28. The Conference paid tribute to the blessed Intifadha of the Palestinian people and reiterated its full support of the Palestinian people and the inhabitants of the other occupied Arab territories. The Conference reaffirmed that the cause of Palestine and Al Quds Al Sharif is the central cause of the Islamic Ummah and the core of the Arab-Israeli conflict, and that a just and comprehensive peace in the Middle East region cannot prevail except by total Israeli withdrawal from all the Palestinian and Arab territories occupied since 1967, including Al Quds Al Sharif, enabling the Palestinian people to exercise their inalienable national rights, including their right to return, to self-determination and to establish their independent State with Al Quds Al Sharif as its capital under the leadership of the PLO, their legitimate and sole representative.

29. The Conference expressed support for the current Middle East peace process aimed at reaching a just and comprehensive settlement of the Palestinian cause and the

/...

Arab-Israeli conflict, based on international legality and notably resolutions number 242, 338 and 425 of the Security Council as well as the formula of "Land for Peace", the legitimate rights of the Palestinian people and solving the problem of Palestinian refugees in accordance with the UN resolutions, especially resolution 194 and Security Council resolution 237. The Conference called on the co-sponsors of the Middle East Peace Conference to intervene and use their influence to force Israel to refrain from hindering the peace process and put an end to its aggressions and its repressive and terrorist practices against the Palestinians as well as its flagrant violations of human rights so as to ensure the continuation of the peace process and make substantial progress in the peace talks. In this regard the Conference called on the UN to participate more effectively in the on-going talks, considering the U.N. continued, permanent and constant responsibility towards the Palestine question, until a just and comprehensive solution is found to all its aspects.

30. The Conference affirmed that Al Quds Al Sharif is an integral part of the Palestinian territories occupied since 1967, that it is the core of the Palestine question and cannot therefore, in any manner, be excluded from the ongoing peace talks.

31. The Conference affirmed that all the measures taken by Israel to annex Al Quds Al Sharif and impose Israeli laws on its Palestinian and Arab inhabitants were null and void. It called on all states throughout the world to refrain from establishing their embassies and missions in the city of Al-Quds, in compliance with the relevant U.N. resolutions, in particular the Security Council resolutions 465, 476 and 478.

32. The Conference requested the Islamic Group in particular the Six-member Committee on Palestine, to act within the framework of the United Nations in order to stress the need for implementing Security Council resolution 681 and taking necessary measures to extend international protection to the Palestinian people in the occupied territories.

33. The Conference considered that the settlements established by Israel are illegal and that it is necessary to provide international guarantees for their removal in accordance with the resolutions of international legality. It called on the international community to exert the necessary pressure to compel Israel to stop colonization in the occupied territories including Al Quds Al Sharif, the Syrian Golan and Southern Lebanon. It considered that the establishment of settlements and settling of Jewish immigrants there was a major obstacle to the international

/...

efforts to achieve a just and comprehensive peace in the region. It urged all States to refrain from giving any assistance that may serve the Israeli expansionist policies.

34. The Conference strongly condemned the refusal of Israel to comply with Security Council Resolution 497 of 1981, its decision to impose its jurisdiction, laws and administration on the occupied Syrian Golan as well as its policies and practices of annexation, settlements and appropriation of land. It considered all these measures as null and void and as constituting a violation of the norms and principles of international law particularly the Fourth Geneva Convention of 1949.

35. The Conference paid tribute to the steadfastness of Lebanon in the face of the Israeli forces of occupation, as well as to the efforts of the Lebanese State to consolidate security, stability and national unity. It condemned the continuing Israeli aggression against Lebanon and denounced Israeli practices in Southern Lebanon, which constitute a serious threat to peace and security in the region. It called upon the international community in particular the co-sponsors of the peace conference to intensify their efforts to compel Israel to withdraw from Southern Lebanon in compliance with Security Council Resolution 425, and to immediately terminate all its acts of aggression and its violations of the principles of the UN Charter and the provisions of the relevant Geneva Conventions.

36. It also called upon the international community to urgently contribute to the International Fund for the Reconstruction of Lebanon and to extend all possible assistance to Lebanon so as to speed up the reconstruction of its economic and social facilities and to enable the Lebanese people to overcome their difficult living conditions, achieve their development and prosperity and preserve their independence and territorial unity.

37. In the light of the grave tragedy taking place in Somalia, the Conference expressed its support to the proposal made on 30 September 1992 before the 47th Session of the U.N. General Assembly, by H.E. Abdou Diouf, President of the Republic of Senegal and current Chairman of the OIC for the urgent convening of an International Conference on Somalia, under the auspices of the United Nations with the participation, alongwith concerned Somali factions, of the Organization of African Unity, the Organization of the Islamic Conference, the League of Arab States, the European Community, the Non-Aligned Movement, the countries bordering Somalia and other concerned States and International Organizations to find a comprehensive political settlement of the crisis in Somalia. The Conference further urged the international community in

/...

particular the United Nations to use all available means to ensure the distribution of humanitarian assistance to the Somali people.

38. The Conference considered other important issues of concern to the Islamic Ummah notably the Jammu and Kashmir dispute, the Upper Karabakh issue, the situation in Cyprus and in Northern Mali as well as the crisis between Libya and some Western countries. In this regard, the Conference reiterated its position as contained in its previous resolutions notably of the Sixth Islamic Summit Conference.

39. At the end of the deliberations, His Excellency Djibo Laity Ka, Minister of Foreign Affairs of the Republic of Senegal, His Excellency Mohammad Siddique Khan Kanju, Minister of State for Foreign Affairs of the Islamic Republic of Pakistan and His Excellency Lakhdar Ibrahimi, Minister of Foreign Affairs of the People's Democratic Republic of Algeria, reiterated on behalf of the African, Asian and Arab Groups, their thanks to the Custodian of the Two Holy Mosques King Fahd Bin Abdul Aziz for his patronage and sagacious guidance to the Sixth Extraordinary Session of the Islamic Conference of Foreign Ministers which had immensely contributed to the success of the deliberations. They also expressed their thanks to the Custodian of the Two Holy Mosques for the generous hospitality extended to all participants by the Government and the people of the Kingdom of Saudi Arabia. They further expressed their appreciation and thanks to His Royal Highness Prince Saud Al-Faisal, Chairman of the Session for his sapient and adept steering of the deliberations of the Conference to a successful conclusion.

40. His Royal Highness Prince Saud Al-Faisal, Minister of Foreign Affairs of the Kingdom of Saudi Arabia and Chairman of the Sixth Extraordinary Session of the Islamic Conference of Foreign Ministers expressed his thanks to the participants for their valuable contributions and for the spirit of understanding and cooperation, which had characterized the deliberations and which had enabled the Conference to conclude successfully.

**RESOLUTION NO. 1/6-EX**  
**ON**  
**THE SITUATION IN BOSNIA-HERZEGOVINA**

The Sixth Extraordinary Session of the Islamic Conference of Foreign Ministers held in Jeddah, Kingdom of Saudi Arabia from 7-8 Jumada Al-Thani 1413H (1-2 December, 1992),

PROCEEDING from the principles and objectives of the Charter of the Organization of the Islamic Conference;

BEARING IN MIND their commitment to act at all times in conformity with the principles and provisions contained in the Charter of the United Nations;

DEEPLY CONCERNED over the rapidly deteriorating situation in the Republic of Bosnia Herzegovina and other parts of former Yugoslavia, which constitutes a serious threat to international peace and security;

RECALLING Resolution No.1/5-EX on the situation in Bosnia Herzegovina adopted by the Fifth Extraordinary Session of the Islamic Conference of Foreign Ministers held in Istanbul on 16-17 Zul Hijjah 1412 H (17-18 June 1992);

RECALLING ALSO all the relevant resolutions adopted by the Security Council and General Assembly resolutions 46/242 and 47/1 regarding Bosnia Herzegovina and other parts of former Yugoslavia as well as those on violations of human rights and the provisions of the Geneva Conventions of 12 August 1949;

TAKING INTO ACCOUNT all the ongoing efforts for restoring peace in Bosnia Herzegovina particularly those being made by the United Nations, the European Community, the North Atlantic Treaty Organization, the West European Union, the Conference on Security and Cooperation in Europe regarding the implementation of the Security Council resolutions as well as those of the London Conference, which was attended by all parties concerned with the situation in Bosnia-Herzegovina and the Istanbul Conference of Balkan and Regional countries;

DEPLORING VIGOROUSLY the continued non compliance by Serbia and Montenegro with all relevant international resolutions and the intransigence of the Serbian leadership in not heeding to the call of the international community to cease forthwith its acts of armed aggression against the Republic of Bosnia Herzegovina, to withdraw immediately all units of the Yugoslav People's Army from the territory of that Republic, to renounce and stop all support to the Serbian irregular forces operating in the territory of the Republic of Bosnia-Herzegovina and the Republic of Croatia

/...

to respect their sovereignty, territorial integrity, unity and political independence and to conform with the principles and norms of international law;

GRAVELY CONCERNED over the deteriorating situation in Bosnia Herzegovina due to large scale ground and air attacks against the population including the Bosnian Muslims and Croats by the Serbian forces deliberately aimed at defenceless civilians and accompanied by brutality and repression of unprecedented magnitude in pursuit of inhumane policy of "ethnic cleansing", which is a form of genocide;

DEEPLY DISTRESSED over the vast humanitarian dimensions of the problem, which is characterized by a consistent pattern of gross and systematic violations of human rights of the Muslims and Croats of Bosnia Herzegovina, a burgeoning refugee population resulting from the mass expulsion of these defenceless persons from their homes, the existence in Serbian controlled areas of concentration camps and detention centres are reminiscent of some of the saddest chapters in human history;

EXPRESSING its condemnation of the recent attacks on United Nations Protection Forces in Sarajevo by Serbian forces resulting in loss of life and injuries to some of its personnel;

ALARMED that the ongoing conflict in Bosnia-Herzegovina poses a grave risk of spilling over to adjacent areas and beyond, thus further threatening peace and stability in the Balkan region;

EXPRESSING its grave concern over the increasing tension in Kosovo, Vojvodina, the Sanjak and the Republic of Macedonia and alarmed at the prospects of the outbreak of violence in these areas which would have unforeseeable consequences and could lead to a wider regional conflagration;

RECALLING FURTHER that the Government of Bosnia-Herzegovina has accepted the constitutional principles proposed by the Co-Chairmen of the Geneva Conference on former Yugoslavia;

**RESOLUTION 2/6-EX**  
**ON THE**  
**CAUSE OF PALESTINE, AL-QUDS AL-SHARIF**  
**AND THE ARAB-ISRAELI CONFLICT**

The Sixth Extraordinary Session of the Islamic Conference of Foreign Ministers held in Jeddah, Kingdom of Saudi Arabia, on 7-8 Jumadul Thani 1413H, corresponding to 1-2 December 1992,

Having considered with appreciation the Report of the Secretary General on the cause of Palestine and Al-Quds Al-Sharif, and the Arab-Israeli Conflict in Document No.EX-ICFM/6-92/D.2;

Proceeding from the principles and objectives of the Charter of the Organization of the Islamic Conference;

Pursuant to the resolutions of Islamic Summit and Foreign Ministers Conferences on the cause of Palestine and Al-Quds Al Sharif, and the Arab-Israeli Conflict;

Considering that Israel's continued occupation of Palestinian and Arab territories, its annexation of Al-Quds Al-Sharif and the Syrian Golan, its denial of the inalienable national and political rights of the Palestinian people, constitute a flagrant violation of international legality, the principles of international law, and the U.N. Charter and relevant U.N. resolutions;

Recalling the resolutions adopted by the U.N. General Assembly and the U.N. Security Council on the situation in the occupied Palestinian and other Arab territories including Al-Quds Al-Sharif;

Proceeding from the United Nations resolutions and particularly Security Council Resolution 681 which confirms the applicability of all provisions of the Fourth Geneva Convention on the protection of civilians in times of war, concluded on 12 August, 1949 to the Palestinian people in the Palestinian territories occupied since 1967 including Al-Quds Al-Sharif;

Expressing deep concern over the dangerous situation in the Palestinian territories, which results from continued Israeli occupation; arbitrary practices and repressive measures as well as from Israel's continued confiscation of land and properties, establishment of colonialist settlements; escalation of the policy of

/...

deportation of Palestinians, destruction of houses, uprooting of trees, imposition of collective punishment on local populations, blockade of Palestinian cities, villages and camps, and desecration of Islamic and Christian Holy Shrines;

Expressing deep concern over the ongoing transfer of Jews to the occupied territories and their settlement there, and over Israel's continuing establishment and expansion of colonialist settlements in the occupied Palestinian and other Arab territories;

Also expressing deep concern over the continued Israeli acts of aggression in Southern Lebanon and affirming that Israeli expansionist policies, practices and designs are not only aimed at the Arab frontline states but also at destabilizing the Islamic countries which constitute a threat to international peace and security;

Following with interest the ongoing peaceful efforts aimed at achieving a just and comprehensive solution of the Palestine Question and the Arab-Israeli conflict, based on Security Council Resolutions 242 and 338, the formula of land for peace and the legitimate and inalienable national and political rights of the Palestinian people;

Stressing the importance of the role of the United Nations in the efforts made to reach a just and comprehensive political settlement of the Palestine Question and the Arab-Israeli conflict.

1. Recalls all the resolutions of Islamic Conferences relating to the cause of Palestine and the Arab-Israeli conflict; expresses its pride in the blessed Intifadha of the Palestinian people, and calls upon all Member States to continue to enhance their solidarity with, and support of the just and legitimate struggle of the Palestinian people for putting an end to Israeli occupation and attaining all their objectives of freedom and independence.

2. Reaffirms that the cause of Palestine and the Arab-Israeli conflict are an indivisible whole in terms of treatment and settlement; that the solution cannot be fragmented or made to favour only some parties to the conflict or cover some causes of the conflict, to the exclusion of others; and that peace cannot prevail in the region if it does not involve all parties concerned including the Palestinian party whose cause is the prime cause of all Muslims and the core of the Arab-Israeli conflict.

3. Reaffirms the legitimacy of the struggle waged by the Palestinian people under the leadership of the PLO, their sole legitimate representative, to recover their land and exercise their inalienable national rights including their right to return, and their right to self-determination and the establishment of an independent Palestinian State, on their national soil, with Al-Quds Al-Sharif as its capital.

4. Affirms that just and comprehensive peace in the Middle East Region can only be established through Israel's total and unconditional withdrawal from all the Palestinian and Arab territories occupied since 1967.

5. Expresses its support for the efforts which led to the convening of the Peace Conference on the Middle East, in Madrid aimed at finding a just and comprehensive solution to the Palestinian Question and the Arab-Israeli conflict; calls upon the co-sponsors of the Conference to exert their efforts to achieve the success of the ongoing negotiations and overcome the obstacles put to them by Israel, as the failure of these negotiations would adversely affect international peace and security; and considers that the success of these negotiations hinges on the fulfillment of the following principles and elements:

First: Their adherence to international legality and its resolutions and commitment to implement them, including Security Council resolutions 242 and 338 as well as to the international and Arab understanding of the two resolutions which is based on the inadmissibility of acquisition of other people's territories by force and secures total Israeli withdrawal from all occupied Palestinian and Arab territories including Al-Quds Al-Sharif, the Syrian Golan and the occupied Jordanian territories and is also based on the formula of land for peace and on the legitimate national and political rights of the Palestinian people to self-determination as a sine qua non condition for freedom and national independence.

Second: Applicability of Security Council resolution 242 to all Arab territories occupied in 1967 including the occupied Palestinian territories.

Third: Al-Quds Al-Sharif is the core of the cause of Palestine which in turn is the core of the Arab-Israeli conflict and thus cannot be excluded from the on-going peace negotiations and should be treated as an indivisible part of the Palestinian territories occupied since 1967, and the same should apply to it like the rest of the occupied territories in implementation of the resolutions of the UN Security Council and General Assembly.

/...

**Fourth:** Cessation of the establishment of Jewish settlements in the Palestinian occupied territories including Al-Quds Al-Sharif, and the Syrian Golan and providing international guarantees to that effect and for the dismantling of existing settlements as they are illegal according to international resolutions including Security Council resolution 465.

**Fifth:** Comprehensive solution so that it may cover all fronts including Palestinian Front, pursuant to international resolutions ensuring that the interim phase shall include the right of the Palestinian people to establish their control over all their land, water and other natural resources, as well as all political and economic affairs, according to the General Assembly resolution No.135/37 and solve the Palestinian refugee problem in accordance with U.N. resolutions, in particular General Assembly Resolution 194 and the Security Council Resolution 237.

**Sixth:** Necessity of ensuring international protection for the Palestinian people in the occupied territories; implementing the Fourth Geneva Convention of 1949 as well as the Hague Accord of 1907 and of putting an end to all Israeli terrorist and repressive practices against the Palestinian people and Palestinian detainees in the occupied Palestinian territories; to the confiscation of Islamic and Christian property and Waqfs and attempts to alter their characteristics, to the continued violation of Holy Shrines; and to the excavations endangering these sacred monuments.

6. Calls upon the UN to participate more effectively in the Middle East peace process; affirms the permanent and established responsibility of the UN to the cause of Palestine until a just and comprehensive solution to all its aspects is achieved and which ensures putting an end to occupation and which also provides for the exercise by the Palestinian people of their inalienable national rights, including their right to self-determination, to return and to establish their independent State.

7. Draws the attention of international public opinion and the Security Council to the dangers of Israel's conduct as if it was exempted from abiding by international law and from adherence to the criteria of international legality and calls upon the international community to force Israel to put an end to its violations; to respect the principles of international legality, to implement the resolutions of the United Nations General Assembly and Security Council without any delay, and to take the

/...

necessary measures for ensuring implementation.

8. Decides to consider 1993 as the Year Of Al-Quds and requests the Secretary General to follow up implementation of the following activities during the year:

- (1) To invite Member States which have not yet implemented twinning arrangements with Al-Quds Al-Sharif, capital of the State of Palestine, to expedite doing so and execute projects in Al-Quds Al-Sharif in support of the city and its steadfast citizens.

- (5) To continue coordination with non-governmental organizations on Al-Quds Al-Sharif and organize a symposium on Al-Quds Al-Sharif in collaboration with them.

9. Affirms the importance of the actual implementation of tasks entrusted to the UN by the General Assembly and the Security Council regarding the cause of Palestine, especially implementation of UN resolution 681 which calls on the high contracting parties which signed the Geneva Convention of 1949 to take the necessary procedures to provide international protection to the Palestinian people in the occupied territories.

10. Strongly condemns repressive Israeli practices and measures against the Palestinian population and strongly condemns the Israeli expansionist settlement policy and considers all settlements established or to be established by Israel in Al-Quds Al-Sharif, in the other occupied Palestinian territories, and in the Syrian Golan as null and void by the standards of international legality; and appeals to all states to refrain from taking any measures aimed at facilitating settlement operations in the occupied territories.

/...

11. Calls upon all States to refrain from dealing with Israeli occupation authorities in a way that may be construed by them as a tacit recognition of the de facto situation imposed by Israel when it declared Al-Quds Al-Sharif its capital; recalls in this respect UN Security Council Resolutions 465, 476 and 478 annulling Israeli measures pertaining to Al-Quds Al-Sharif; affirms that all legislative, administrative and settlement measures aimed at changing the legal status of the Holy City are null and void, have no legal implications whatsoever, and are contrary to international conventions, charters and norms.

12. Invites the Member States to act within the context of the UN and in international fora so as to force Israel to release detainees, return the deportees and stop the method of collective punishment and put an end to any action that endangers life and environment in the occupied Arab and Palestinian territories.

13. Strongly condemns the policy of immigration and settlement of Jews in the occupied Palestinian and Arab territories, including Al-Quds Al-Sharif and the Syrian Golan, since 1967.

14. Strongly condemns the continued Israeli occupation of southern Lebanon, Israel's continued aggressions and its repressive military action against the Lebanese population and Palestinian refugees in Lebanon; requests the UN Security Council to put an immediate end to these aggressions and demands immediate, total and unconditional Israeli withdrawal from the Lebanese territory; reaffirms its commitment to the independence, sovereignty and territorial integrity of Lebanon within its internationally recognized borders; also stresses the necessity of implementing UN Security Council resolutions on Lebanon, especially Resolution 425 (1987); expresses its appreciation of the accomplishments of the Supreme Tripartite Arab Committee and calls on the international community to contribute to the International Fund for the Reconstruction of Lebanon.

15. Strongly condemns Israel for its policy of non-compliance with Security Council Resolution 497 (1981); for imposing its jurisdiction, laws and administration on the occupied Syrian Golan, for pursuing policies and practices of annexation, of establishing settlements, confiscating land, diverting water resources and imposing Israeli nationality on Syrian citizens; and considers all these measures as null and void, and a violation of the norms and principles of International Law relating to occupation and war, especially the Fourth Geneva Convention of 1949.

/...

16. Requests the Secretary General to take the necessary measures to continue and strengthen contacts and coordination between the OIC, and the League of Arab States, the Organization of African Unity, the Non-Aligned Movement, and the UN and its specialized agencies, on the cause of Palestine and the Arab-Israeli conflict.

17. 18. Pays tribute to the continued efforts of Al-Quds Committee under the chairmanship of His Majesty King Hassan II, Sovereign of the Kingdom of Morocco, and reaffirms all the recommendations made by the Fourteenth Session of the Committee.
