Supplementary information received by the Secretary-General

1. General Bull, Chief of Staff of UNTSO, has reported that as of 0800 hours GMT on 7 July 1967 the situation in general continued quiet along the cease-fire lines between Israel and Syria.
2. United Nations Military Observers reported an exchange of fire between Israel and Syrian troops on 6 July. Israel troops at military positions in the area of MR 2326-2603 opened machine-gun fire against Syrian military positions near MR 2333-2590 at 1544 hours GMT. Syrian troops returned the fire. Firing ceased at 1555 hours GMT.
